June, 2015

Next Meeting

Saturday, June 13, 2015

**7 PM @ the Mt. Evans Room in the
Terminal Bldg. @ Metro Airport.**

After the business meeting we will have an EAA Chapter Video presentation. Herrill Davenport will present some other material after that if time allows.

Editor's Corner

Last month's annual hangar party/picnic meeting happened on a cold and drizzly day, but was surprisingly fairly well attended. As always, we thank the volunteers who worked hard to make it happen. I can't begin to name them all, but would especially like to thank Scott & Eric Serani, who moved their airplanes out to make room, as well as the other hangar residents who accommodated the group and put up with the "invasion". Thanks also to Deb Harris for the pictures on page 3.

May was a sad month for Chapter 43, with the passing of two friends and members. There are a few details on page 7 of this issue.

Until next month...

John

2015 Annual Picnic

Photos by Deb Harris

“On thy grave the rain shall fall from the eyes of a mighty nation!”

– Thomas William Parsons

A small portion of the Arlington National Cemetery

I hope that your Memorial Day was filled with memories and thoughts of relatives and friends, and all of those who have served our great country...

So many who gave everything...

Editor

Young Aviator Update

June 2015

It's been a soggy month but every time there is a hint of good weather, we can hear the planes buzzing around Erie! Looking forward to glorious flying weather in June!

The Young Aviators and their families want to thank the Chapter 43 members for including us in the annual picnic! We appreciate being a part of your traditions. During the picnic, we got to hear a demo of the sound effects for the B25 gun. It sounds very realistic - and LOUD! We've already put in our request for warmer and drier weather next May.

The B25 continues to progress while other teams work to get the display and mission experience worked out. Many thanks to Jim Elliott and his team for the effort to make the B25 display an actual experience for kids and adults alike. Jim has devised a visitor plan that will take four crew members at a time through a simulation of an actual mission. Complete with volunteer training videos on the website, the education crew has done a phenomenal job with what has proved to be a huge commitment.

If you didn't have the chance to see it - Colorado Hometown Weekly featured the Young Aviators in an article this month. You can find the post on their home page - coloradohometownweekly.com and search for Young Aviators OR the link was added to the Young Eagles EAA Chapter 43 and the Young Aviators Facebook pages. There is a FB link at the top of our website. Youngaviators43.com

There are new DONATE via PAYPAL options on the YA website. As we make the rounds with the B25 and the simulators this summer, we hope to generate some financial support for our next project(s). Thanks Myles and Brian for helping get the details in order!

If you would like to receive the updates and reminders from the Young Aviators, please send your contact info to Andrea ea43youngaviators@gmail.com and request to be put on the list. It's only a few emails a month.

Upcoming Meetings:

June 6th and 20th 11 am - 2 pm

McEwen Hangar

2955 Piper Dr, Erie

Wings Over the Rockies Cockpit Day is on June 13

Put it on your calendar to come out and see the

B25 & experience the mission

Sad News

It was a sad month, with two of our friends/members passing from this world after battles with cancer -

Chuck Custer on May 8, 2015. There was no memorial service.

Jim Grumbles on May 18, 2015. No further information at this time.

They will be missed... Godspeed and rest in peace, Chuck and Jim.
