VOLUME 16, Number 9

Oct, 1993

DISCLAIMER: Be aware that as always, in past, present, and future, any communications issued by Experimental Aircraft Association Chapter 43, regardless of the format, and/or media used which includes but is not limited to this newsletter and audio/visual recordings is presented only in the context of a clearing house of ideas, opinions, and personal experience accounts. Anyone using ideas, opinions, information, etc, does so at there own risk. Therefore no liability is expressed or implied by the Experimental Aircraft Association Chapter 43 or any of its' members. Any event announced and/or listed herein except as noted is done so as a matter of information and does not constitute approval, sponsorship, control or endorsement of said event.

THIS MONTHS MEETING:

The regular business meeting this month will not be held. Instead the Builders forum sponsored by Chapters 43 and 301 will be held on Saturday, October 9, 1993, from 0730 hours to 1700 hours, at the Crosswind Aviation Hanger, at Tri-County Airport. If you haven't got your RSVP in, please do so immediately. Please reference the attached flyer for more information.

LAST MONTHS MEETING:

The meeting last month was held on Sept. 11, 1993. The meeting was called to order at approximately 7:15 P.M. by Chapter President Mark Yelich. There were 53 members and guests in attendance.

Guests were Jim Sutton of Golden, Bud Aumand of Morrison, Quent Johnson of Lafayette, Cliff Creek of Evergreen, and Robert Orr of Niwat. We welcome them and invite them to return.

TREASURERS REPORT

Savings - \$592.00 (\$2000.00 withdrawal)
Checking - \$1242.75
Cash - \$43.78

TOTAL - \$1878.53

This total represents the clearing of the \$1000.00 dollar check to Jefferson County Airport for the Video Projector Project.

NEW HOMEBUILTS FLY

Guest Jim Sutton reported that he has flown his Avid Aircraft Hauler for the first time. Bill Mitchell helped Jim get current with a some taildragger time. Jim says that the aircraft flys very well. Jim also brought a photo album of his project for us to drool over.

It was also reported that Peter Fox has flown his RV-6.

Congratulations to these builders!!!!

PROGRESS REPORTS

Mas Yoshida is VERY close to completing his RV-6.

Gene Horsman has two stabilizers cut and fitted with one stabilizer tack welded for his Mercury Biplane project.

Ron Denight has received a new chip for his Ray Jefferson Loran unit that should solve some of the minor problems the units have with the high speed of aircraft.

Chuck Graf got his finishing kit for his RV-6.

SPECIAL AWARDS

John Evens was presented with second part of the Rocky Mountain Regional Fly-In award for Grand Champion. The painting of his T-18 was beautifully done.

CAFE 43

The CAFE 43 for last month was to Arapahoe Nebraska in conjunction with the antique fly-in there. The CAFE 43 for this month will be decided at the Builders Forum

NEW BUSINESS

The 1st annual Rocky Mountain Aircraft Builders Forum is scheduled for October 9th, 1993 at Tri Country airport. Registration starts at 7:30 AM, events will last until 5:00 PM. Crosswind Aviation has donated the use of their hanger for this event. What we need, is you. If you are interested in attending, or supporting the activities, please contact Doug Bloomberg (979-2451) or Mark Yelich (460-0228). If you are interested in RSVP only, you can also contact Mark Graf (423-8125).

Builders and aviation equipment vendors are also invited to participate. Vendors wishing to participate should also contact Doug or Mark to coordinate activities.

Please see the attached flyer for more information.

The Airshow to inaugurate the new Denver International Airport was cussed and discussed at some length. The airshow took place on September 25th and 26th.

Also history is the 1st annual Rocky Mountain Air Fair at the Colorado Convention Center.

It was motioned, voted and approved by the attending membership that the regular business meeting for October would be canceled so that all efforts could go into the Builders Forum.

Mark Yelich reported to the chapter that he has created a software product to assist in Chapter management. The product is based on Microsoft Access, and provides many

benefits to chapter officers by tracking membership, meetings, aviation support vendors, dues, and other chapter and membership information. He will be offering this product to other chapters, and has graciously volunteered to share the proceeds with Chapter 43.

OLD BUSINESS

Nominations for Chapter Officers are open, and the nominating committee is looking for volunteers. All offices and directorships are open. If you are interested, please contact either Gene Horsman, or Ron Denight. Please consider the small investment in time to support your chapter.

THE CLASSIFIEDS

This is a free service to anyone with aviation related parts of services for sale, trade, or... Please send your adds to the editor by the first of each month.

No adds were submitted for this month.
