HAPPY HOLIDAYS

Next Chapter 43 meeting will be held in the Mt Evans Room on the second floor of Metro Airport Terminal Building at 7PM. 2010 Election for Officers and other positions to be held. The program will be Ben Millspaugh doing a presentation on his high school students building a Fisher Classic Bipe.

Chapter 43 Minutes of November 14, 2009

Greg Hall called the meeting to order at 7:50 following the Complete Spectrum seminar.

Last months minutes were accepted as published in the newsletter.

Guests that signed the list: *Pete Watkins, Aaron Blakey, Cody Humbargar, Daniel Larrabee* and *Joshua Marshman*. Welcome all.

Lynn Miller gave the treasurer's report. He also gave the details for the January banquet. *Lynn* had written a check for \$500 for *Dallas Toom* for his scholarship.

Bill Mitchell gave a brief safety report. Be sure to lock your canopy in the open position. Be careful what you buy. Make sure all the forms are present and up to date.

Trip Reports: *Bill Mitchell* and *Dean Cochran* flew locally. *John Evens* went to Santa Monica.

Progress Reports: *Don Smith* is working on the center section of his S-19 fuselage.

Old Business: *Greg* covered the election news. (see item on page 5)

New Business: *Ken Scott* donated some welding equipment to the chapter. Many thanks *Scott*.
Dean Cochran made a motion to waive *Ken's* annual dues for the year. It was seconded and carried.

Meeting adjourned.

Hello EAA 43 Members,

If you didn't know already, some Chapter 43 members volunteered to participate in a special Young Eagle Rally. The Rally was held last Saturday, the 14th, at Signature Flight Support at the Centennial Airport. In conjunction with the Wings Over the Rockies Museum's Spreading Wings Gala, Chapter 43 & Chapter 301 put on a Young Eagle Rally with a special guest pilot, Harrison Ford. Mr. Ford was the honoree of the Spreading Wings Gala.

If you hadn't heard about this rally, then our attempts to keep this quiet worked. We were afraid that too many people would show up and make an unsafe situation on the ground for the Young Eagle flights.

The volunteers from Chapter 43 were, Steve Beach, Herrill and Daphne Davenport, Eric and Scott Serani, Georg Grell, Al Godman, Chuck Custer, Rod Lueck, Gregory Fisher and myself. Along with Chapter 301 volunteers and volunteers from the Jeppesen Employee Flight Association, we had a total of 12 aircraft and a total of 35 volunteers. The Chapter 43 volunteers were personally asked by me to participate because of their past dedication to, and participation in, Young Eagle rallies.

The Wings Over the Rockies had lots of activities for the kids, while they were waiting, inside the Signature Flight Support hangar.

The main attraction of course was Harrison Ford and his de Havilland DHC-2 Beaver. Mr. Ford flew 15 of the total 60 Young Eagles that we flew on Saturday.

While the weather wasn't great on Saturday, the pilots and ground volunteers deserve all the credit for making the flights safe and fun for the kids. As usual, every kid left with a smile.

Pictures of most of the Young Eagles can be found on EAA Chapter 301's web site. Here is a link to the pictures, <http://www.eaa301.org/young-eagles-image-galleries/click-here-for-ye-photos-from-11-14-09/>. Shortly, I'll have a CD of all the pictures, that Russ Grell from 301 took, and I'll put as many as I can up on the EAA 43 Yahoo! Group page.

The next time you see any of the volunteers mentioned above, please help me thank them for all the hard work they put in on this, and past, Young Eagle rallies.

Brian Cabebe
Young Eagles Coordinator
Vice President

NEWSLETTER CHANGE

I will pass this notice along received by Steve Beach from Dan Majka, one of our members and an EAA board member.

I was up in Oshkosh Wednesday and heard something that can apply to chapter newsletters. It seems the laws and courts have come down hard on photos of people in publications without their written permission. It is very critical when a young person with a face shot is used because of predators and all that stuff. Be careful on what you use, crowd shots are OK but close up single person photos of a kid really need parent sign off, since the newsletter goes out on-line. All I can say is that judgments have been awarded so be careful. When in doubt, leave it out. Might want to pass this on to your newsletter editors, get written OK to use photos.

Dan Majka

Editor Note: It is a travesty that we live in a world where these precautions have to be made. Please keep this guideline in mind when submitting photos.

Bob Young, Chapter 43 Newsletter Editor.

Editor Correction

In my haste to finish the October Newsletter, I miss quoted Brian Cabebe in the meeting minutes. The statement was that "Colorado Sport Aviation may not be supporting the Young Eagles." That statement was false. My apologies to Brian and the chapter and CSA. I did not read my notes correctly. I include a statement below with the correct information. Bob Young, Newsletter Editor/Secretary

Hello EAA Chapter 43 Members,

A statement attributed to me in the October newsletter needs to be clarified/corrected. As the Young Eagles Coordinator for our Chapter, I have to make the decision to act on a request for a Young Eagle Rally. Ever since I've been the YE Coordinator, we've been doing the Young Eagle flights for the Rocky Mountain Regional Fly-in. The question I have for the Young Eagle volunteers and Chapter 43 is do WE want to continue to support the Young Eagle flights at the Colorado Sport International Air Show? I never meant to imply, nor do I believe, that the Colorado Sport Aviation group does not support the Young Eagle program. In my opinion, they have done everything that they can to accommodate our needs during the event.

Thanks,
Brian Cabebe
Young Eagles Coordinator/Vice President

The Brian Cabebe Legacy

Young Eagles gang,

For years, Brian Cabebe has been the YE coordinator for EAA Chapter 43 here in the Denver area. Chapter 43 Young Eagle rallies are the smoothest, safest, most efficient and enjoyable I have ever participated in - truly professional operations. While Brian is fully qualified he rarely flies kids himself, being much more effective running the ground operation. We pilots get the lapel pins, shirts, certificates, etc. (please don't send me any more...I have a drawer full of that stuff - spend the money elsewhere) for flying the kids but Brian is the one responsible for thousands of Colorado children being exposed to aviation. He recently sent the following letter. True to his nature, Brian is humbly doing what needs to be done to help another, without regard to his own hardship. We will miss him greatly and I would like to see him recognized formally in the pages of Sport Aviation as one of the best supporters the Young Eagles program has ever seen.

Thank you,

Mike Gugeler EAA 184528

Hello All,

Recently, a family member in Arizona has become diagnosed with stage 4 breast cancer. My wife and I have decided that we would like to move to Arizona to be able to help them. Obviously, there are many things that we need to get in order before we can move, but we're hoping that we can move sooner rather than later.

I wanted to let all of you know first before I let everyone else in the Chapter know. Actually, I don't know if there's much to say until know for sure when I'm leaving.

The big thing that is holding us back from leaving right away is that I need to find a job down there. As soon as that happens, we'll be packing our things.

I think that we should discuss nominating someone to replace me as Vice President. I'm happy to stay on as VP, I just may not be around for the entire year.

As for Young Eagles, we'll definitely have to find someone to take over. I have lots of ideas for next year, so the sooner someone else can step in the better off the rallies of next year will be.

Chapter 43 Elections

At our next meeting on Dec 12, we will hold our yearly elections of officers, board members and volunteer officers. Scott Serani is nominated for President, Lynn Miller and Kyle Hickman for Vice-president, Roxie Juul for Treasurer, Bill Mitchell and Greg Hall for another term as board member and Brian Cabebe would like to serve another year as Young Eagles Coordinator and Lynn nominated him for another term as Vice-president. Bob Young would volunteer again for Secretary and Newsletter Editor if no other nominees. Roxie would like to turn over the chairperson position of "Snow Busters Breakfast" to someone else. All members are encouraged to step forward and be a part of the leadership. We are a volunteer chapter. Fulfillment comes from being a part of it and not just coming to the meetings.

Note: National EAA membership is required for offices.

Note: See notice about Brian Cabebe.

Fund Raiser and Seminar Successful!!!

Chapter 43 members, on behalf of Complete Spectrum Financial Services, Bobbie Zink, Phil Harris and I would like to thank everyone who came out Saturday night for our fund raiser and seminar. We had a great turn out for such a challenging weather event, with 43 forms turned in, raising \$1075 for our scholarship fund. I will present the check to the chapter at our December meeting. We had a terrific response to the seminar also, with almost half of those in attendance desiring more information on how Complete Spectrum can assist them in one way or another. We are looking forward to seeing you all again in the near future.

January Banquet

Don't forget to sign up for the banquet. It will be Jan. 9, 2010 at 6 PM. There is only room for 100 people. Get your reservations in to Lynn Miller quickly. The cost is \$15 for a member and \$15 for on additional person. After that, if you want to bring a third quest, it will cost you \$26. Thanks, Lynn Miller, Treasurer, Chapter 43 EAA
