Refreshments

Dean Cochran and Pat Claar

Phil and I got together last week to get him acquainted with his new job and we decided that he and his crew would officially take over at the chapter's annual dinner meeting next month.

CHAPTER ANNUAL DINNER

The chapter's annual dinner is scheduled for January 9, 1994 at Gala Gardens in Commerce City, the same as last year. This is our last meeting before the dinner, so be sure you sign-up with Ron Denight.

THANKS!

This will be my last meeting as your President and I want to thank everyone who has helped me during the past two years. I particularly want to thank Ken Lysek, Roy Maneely and Mark Graf for their hard work and help in running our chapter. I also want to thank John Evens for his efforts in arranging our programs for the past two years. We have been treated to a wide variety of very interesting and informative subjects. Bill

and Mary Mitchell, have put a lot of effort into the Regional Fly-In on the chapter's behalf and I thank them for their continuing support. Finally, I want to thank everyone who helped make our first Annual Builders Forum a success. Doug Bloomberg and I plan to organize another forum next year and we will be back looking for everyone's participation.

I am really happy to see a new set of officers take over the chapter. The more of us that get involved, the better our organization will be. I have been an EAA member since the early 60's and have held chapter positions on and off during these nearly 30 years. Some of the most enjoyable times I can remember have been due to participating in chapter operations and activities. I hope you can take the time to get involved in 43's activities too. You won't regret it!

Mark Yelich, President

Editors Notes

Mark asked me to include an invitation to the present and future officers to meet one hour early (6.00 P.M.) on the eleventh pass on information and help get the new crew started.

Ron must have your \$10.00 prepaid reservation per person no later than December 20, 1993 for the annual dinner. Make your checks payable to Ron Denight.

There are only 75 available seats, so get your reservation in early. Last year all 75 seats were taken.

This year the fried chicken and the chopped sirloin steak dinners are available. They come with a salad, relish, and ice cream for dessert.

There is another chapter member information sheet in this mailing. If you have not sent one in, please complete the form and bring it, or send it to one of the officers.

NEW EAA CALENDARS

Yes the new EAA calendars are in and will be available for \$5.00 each at the meeting.

THANKS!

I also would like to thank the chapter for the support and understanding when I was/am late, or misspelled a name. John Evan, Evon, pften, oh, you know, what's his name, and the Schniieeders were very understanding. Mark Yellalot (just joking Mark) was also understanding with his new editor when I forgot to send out some information.

I want to thank those of you that made constructive comments. I think that we have a good newsletter, and that your comments and contributions made it worth reading.

I especially want to thank those of you that made those positive comments. They helped me remember why I was doing it. Keep giving your newsletter editors and other officers that kind of support too.
