EAA 441 Holiday Party - 1p Sat Dec. 17

Bring your potluck dish(es) to share; Chapter 441 will provide turkey, ham, utensils, and beverages. For the ever so popular white elephant gift exchange, bring a wrapped Aviation related item (value does not matter). Bring two to double your fun while the "gifts" move! Keep 'em guessing; wrap the gift you got last year and bring it back for something else (recycling can be fun)!

Plan to eat around 3p, with the gift exchange following.
