Members of the Experimental Aviation Association Chapter 5 are hosting a week-long Day-Camp designed for kids in grades 7 through 10 **with a real interest in AVIATION!** The summer camp will be open to new campers and held at the Geauga County Airport in Hangar 3 from 9:00 am to 3:45 pm. Students will actively participate in learning about aerodynamics, parts of a plane, flight operations, careers in aviation; will develop skills in map reading, riveting, woodworking & building; and will be given opportunities to tour the airport facilities and to “fly” on flight simulators. There will be daily activities such as glider flying contests & scientific experimentation, as well as fun recreational activities. Space is limited to 18 students to allow for more hands-on opportunities. There will be an opportunity to take a Young Eagle Flight (*parental permission given and weather permitting*) on Saturday, July 12th. (Sunday, July 13th will be the rain date.) Registration forms and \$150 fee are due by **Thursday, May 15th, 2025.**
