It looks like flying season is finally here!

The flying weather has been great for at least a week and chapter members are out making the most of it.

I am excited to announce that in our continuing effort for self-improvement, the chapter has established a brand identity merchandising initiative. Thanks to the efforts of our resident graphic designer, **Rob Biro**, merchandise coordinator, **Amey Park**, and an online store called the **Peridot Pig**, We now have a convenient way to promote the chapter with many items carrying our brand identity. See details below.

In the next month we will do a program on Oshkosh from a controller's perspective, put on a Young Eagle rally at Ashtabula County Airport, and hold our monthly IMC club meeting. We'll begin our summer series of chapter flyouts and hold a pancake breakfast - fly-in - Young Eagle rally at Lake County Airport.

Don't forget, we need your Favorite flight stories. This is a picture or two from a memorable flight or experience you've made along with a paragraph to describe that flight. We will put these in our monthly newsletter.

It is not too soon to be thinking about Oshkosh. If you even think you might want to camp with the chapter, you need to contact **Curtis** right away.

NEW MEMBERS

Bob Metelco – Bob is an accomplished CFII who teaches multi-engine and tailwheel.

UPCOMING EVENTS MAY PROGRAM MEETING

Micah Maziar is an approach controller in Toledo. He has been an FAA volunteer controller at Oshkosh for a number of years. He will spend the evening telling us about AirVenture as seen from the other side of the microphone.

We'll start the evening with dinner at 6:00pm and our program at 7:00. Dinner will be Burgers and brats on the grill. The Chapter will provide the meat. Please bring a dish to go with if you can.

We'll need all the fix'ns, sides, chips, desserts, and anything else to go with.

Our program will start at 7:00. This will be a hybrid meeting where we will gather in hanger 3 at the airport and our remote members will be able to join via Zoom.

As part of our enhanced Young Eagle program this year, we will hold a YE rally at HZY on May 20 from 9:30 until noon. If you can help on the ground or as a pilot, please contact Ric Blamer at: pilotric@gmail.com

FLY-OUT TO CARROLL CO. TSO

We'll hold our first official fly-out of the season on Sunday, May 21st. For starters, we will just do the standard breakfast run to Carroll County Airport. Flight plan to depart your home airport and arrive at Carroll County around 9:00 am.

IMCVMC CLUB

Our **May IMC/VMC Club** meeting happens **Thursday, May 25**, donuts at **6:30pm**, meeting at **7:00**. Meet over coffee and donuts with other pilots to discuss scenarios they have experienced and work through real-world IMC stories.

If you were in this situation... **What would you do?**

Topic: **Circle-to-Land; Just Say No or Just say Go** - Presented by **Tim Callahan**

Description: Circle-to-Land from an instrument approach carries unique risks.

Is this a good idea for weekend warriors or should we leave it to the pros?

FLY-OUT TO FRANKLIN (AKA) VENANGO REGIONAL FKL

This time we'll go to Franklin for dinner at **Primo Barons**.

If you haven't been to Franklin, it's a wonderful place for a nice dinner.

The restaurant, Primo Barons, has been open for 20 years and has been a staple on the restaurant scene for both local and fly-in diners.

Flight plan to depart your home airport and arrive at FKL around 5:30pm.

We will operate a pancake breakfast and Young Eagle rally at the **Lake County airport** fly-in on **Saturday, June 3rd**.

Be sure to come out, have a good time, and even lend a hand.

If you are an early bird, we could use help with setup on Saturday morning. We'll start at about 6:30 in the morning.

If you are inclined to get up a little later, we need help operating the youth stations beginning at 7:30.

Please contact **Sherry Niederkorn** at: **440 477 1198** sherry.niederkorn23@gmail.com

And if mid-morning is more your speed, we can use help cleaning up starting around 10:30 in the morning.

Later in June we will hold our own fly-in here at Geauga County Airport (7G8)

FAVORITE FLIGHTS

Photos: Amey Park

My daughter Felicity (15) attended the Summer Youth Aviation camp in 2022, and fell in love with aviation. We went to a Young Eagle event in Chippewa Township, PA when one of the pilots we were chatting with offered her and me a ride in his Cessna 170. Dave is a CFII, former Air Force and airline pilot. The fall landscape was breathtaking! As we flew, I realized that my daughter had flown me in an airplane before she drove me in a car! -Amey Park
