## President's Message

Greetings, EAA Chapter 524 Members and Friends,

May has been an interesting month for weather. Every time I had a chance to go to the airport, it was raining, cold or windy.

Our Chapter pancake breakfast May 13<sup>th</sup> was cold and rainy but those of us who made it sure were happy to have the Chapter house to stay warm and dry! It was a great breakfast with about sixteen people attending. We had a great time looking over the Cub project. Jerry Blake spent quite a bit of his time answering questions and explaining in detail the project. I would say a good time was had by all. Thank you to Jerry for being so willing to share his knowledge of the project with us.

June is just around the corner and I hope it will bring better weather for events at the airport. Our Chapter will host the electrical workshop June 3<sup>rd</sup> & 4<sup>th</sup>, anyone who has time to help would be appreciated. Details will be presented at the Chapter meeting June 1<sup>st</sup> along with a sign-up sheet. AOPA will host Wings 'n Wheels June 10<sup>th</sup>. The Air Race Classic takeoff is June 20<sup>th</sup> and our Chapter will have a fabric covering workshop the weekend of June 24<sup>th</sup>. Along with graduations, weddings and other family outings, the month will be full of fun!

I hope to see many of you at some of these events.

*Mark Gosselin*

## June Program

For our June meeting we have Nick Sabo, Assistant Airport Manager, giving us an update on the construction going on here at the Frederick airport. Come learn about all the details happening to expand our airfield.

As Mark mentioned in his opening letter, we are hosting not one, but two SportAir workshops in our hangar next month. Electrical Systems & Avionics is on the weekend of June 3-4 and Fabric Covering on June 24-25. Our Workshops Coordinator, Rex Bullinger is looking for some volunteers to help with the setup of the first workshop on Friday, June 2 at around 10 a.m. If you are planning on coming to the June meeting, you can volunteer by filling out a sign-up sheet there. If you can't make the meeting but would be willing to help Rex out, you can contact him directly. His contact information can be found in the masthead of this newsletter.

## May Board Minutes

11 May 2017

Meeting brought to order at 7:03 p.m. by Mark Gosselin

Present were Mark G., Doug Kelly, Jack Fromm, Ernie O'Roark, Erick Webb

Weather not looking good for Saturday's pancake breakfast. Ernie has things pushed out of the way. The only thing in the way is the airplane itself. Jerry will supervise the movement of the fuselage, etc.

Mark G. looking for a 10x10 tent to put over the griddle for making pancakes. Erick will supply the griddle and whatever accessories can be found at the AOPA warehouse. Erick will check at NACC to see if there's a 10x10 tent available. Mark has all other things for the breakfast.

Dave sent Mark information regarding Air Race Classic that will be sent out in a mini newsletter. June 3 and 4 is the electrical workshop; we need volunteers.

Mark G. reminded the board that a nominating committee needs to be formed because this is an election year. If anyone would like to volunteer for a board position, all are welcome to submit themselves for running in the election.

Mark G. asked the board if they had read the Chapter bylaws and hangar use policy; those who offered opinions said that both are sufficient as they are now, but hangar use policy should be reinforced.

Mark G. asked if the banquet location was good enough to warrant our return next year. There were no objections. The board will begin the search for another speaker for the banquet that would draw a good crowd.

Ernie and Jerry will be available to help Rex when the shipment for the workshop arrives.

Mark G. will arrive at the hangar at 7:00 a.m. to get started with setup and cooking.

Meeting adjourned at 7:35 p.m.

Submitted,

Erick Webb, Secretary

## Air Race Classic 2017

Below is a message from Dave McKinney requesting volunteer help for the Air Race Classic. If you weren't at the Chapter meeting last week, please read his message below for details. If you are interested in volunteering, please sign up at the link he provides.

Thanks to all.

*Mark,*

*I'm Dave McKinney, the airport liaison at FDK for the 99's Air Race Classic. Racers start arriving on Thursday, 15 June, and launch on Tuesday, 20 June. I'm serving as the "Air Boss," setting the parking and taxi plans and serving as liaison between the pilots, the race staff, and the FBO, tower, and airfield staff. Any assistance your chapter members can offer is most certainly welcome, especially on Race Day.*

*Thank you for the opportunity to speak at your chapter meeting. I hope some of the members are interested in volunteering for at least some of the race activities; their knowledge and experience will be very useful.*

*As I said at the meeting, anyone who wants to volunteer needs to register on the Air Race Classic website. The site address is <http://www.airraceclassic.org/race-information.htm>. Click on the Log In link to get registered and sign up as a volunteer. The names will go to our volunteer coordinator. When people sign up, be sure they state what they want to do. I'm looking for flightline help, but we also need help in other areas, too.*

*Please don't hesitate to contact me if you have any questions or concerns. Thanks again for the chance to talk to the team. I can't wait to see the Piper when it's finished!*

*All the Best,*

*Dave McKinney*
