President's Message

Hello Everyone

Wow, what a busy month! We had two large aviation events at Frederick, the most recent being the Airport Open House. Thank you to everyone that helped with the pancake breakfast, had their plane on static display, or answered questions from the curious public!

We were very fortunate that the weather was good for both events. We had a lot of rain and wind on the weekends, so not a lot of flying. But the aircraft factory continues in the chapter hangar even on the rainy days. I hope you will stop by and lend a hand. Tell us about your project in your garage or hangar. Also, do not forget our IMC and VMC meetings. Educational hangar flying at its best.

I hope the weather improves over the next few weekends for Young Eagle flights, tailwheel training, or fly-outs for a crab cake or two.

See you around the airport!

Take care everyone!
Chris
President
EAA Chapter 524

FDK Frederick Festival of Flight 2023

Ray Scholar continues to Inspire

Mia Andersen (Ray Aviation Scholar 2022) had "storytime" at Frederick Library on Saturday, 14 October.

She made up goodies bags for the kids with Young Eagles brochures and buttons in each one. Told parents where to find Frederick chapter info.

Not a lot of kids; just a handful, but they had SO much fun! Mia made paper airplanes with them had a contest with which one would fly the farthest. She read a CUTE story. Talked a little bit about her story but they were so young she modified significantly.

Just wanted to let you know she made chapter proud

VINTAGE NEWS

john.t.baker Time travel back to September 9, 1984. As the effects of the cancer and treatment limit my activity, I find pleasure in memories. I recently pulled out old log books to organize my recollections of old photos I'm finding. In another post I mentioned my first flights back in 1974 at College Park Airport (CGS) - where the Wright Brothers flew. Here's a photo taken ten years later, when Sukey and I flew our first airplane, an Aeronca 7BCM, to CGS for "Airfair 84." Sukey was a student pilot with lots of Cub time and was now flying the Champ, so hand propping the Continental 85 for me was no big deal. It was a big deal, though, to have our own airplane - a bit of an extravagance on our librarian/teacher salaries. #startersareforweenies #eaa524

Board Minutes

12 Oct 2023

Chris Gunther, Larry Jarkey, Tom Comeau, Ernest O’Roark, Erick Webb

Meeting called to order at 7:09 pm by Chris Gunther

- Chris reported that the airport open house was a success.
 - ✓ Got some new membership leads and some Young Eagles flights potentially lined up.
 - ✓ Rumors are that they’ll do it again next year.
- Elections coming up at our next Chapter meeting.
- Professor at Johns Hopkins is considering October 29 for their trip to FDK. Carlo is building a Bearhawk wing that he can show/demonstrate, Ernie will talk about the RV12, Tom will show the vertical stabilizer.
- EAA leadership events coming up the weekend of October 20 in Oshkosh.
- November 4 is a one-day Sporty’s event in Batavia, OH.
- Still researching the Rans 12 rubber replacement kit.
- Tom has a scenario for this month’s VMC Club that isn’t very good, so he’s working on a backup scenario. Still concerned about the quality of the material from EAA HQ. Would like to see if someone else has interest in running the club at FDK.
- Larry said that IMC Club met on Tuesday as usual, but there won’t be meetings in November due to an upcoming shoulder procedure, and no meeting in December as usual.
- Chris shared that Mark would like us to build up our Young Eagles flights since Steve is conducting so many of them.

Meeting adjourned 7:34 pm

Submitted,
Erick Webb, Secretary

Airplane Raffle Opportunities

Greetings Aviation Enthusiast!

Wings of Hope is selling raffle tickets for a 1964 Cessna 172! Runner-up prizes include a PPL or Advanced Training Scholarship, a Bose A20 headset, & an iPad with a one-year subscription to Foreflight Pro Plus.

Raffle tickets are limited to 5,000 and are priced at \$100 per ticket, or 3 for \$275. Visit the Airplane Raffle page for complete information on the raffle and purchase your tickets.

Wings of Hope is celebrating 60 years using aircraft to serve humanity, worldwide. Since 1963, Wings of Hope has utilized aircraft to connect remote communities around the world to the resources they need - 160 operations in 48 countries. Learn more about: Global Programs.

We are also celebrating 20 years of the US-based Medical Relief and Air Transport (MAT) Program. Since 2003, this program has been transporting individuals living in remote rural areas to hospital facilities they otherwise would not have access to - for free of charge. This program covers roughly an 800-mile radius from our headquarters in the Spirit of St. Louis Airport (KSUS) in St. Louis, MO. Learn more about: MAT Program.

The newest program, SOAR into STEM, exposes high school kids to careers in aviation, helping to cultivate more interest in the aviation industry. Learn more about: SOAR into STEM.

Your support will help sustain these programs and will also give you a chance to win an airplane! Help us spread the word and keep Wings of Hope flying high! Please share this Airplane Raffle flier with other friends of aviation!

Thanks,
Jason Phillips
Digital Media Specialist, Webmaster

Frederick VMC Club

IMC Club meets: Wednesday after the third Tuesday of each month at 7:00pm. (Always the day after IMC club!)

Location: Chapter 524 Aviation Education Center/Hangar, Frederick Municipal Airport

EAA 524's VMC Club is a discussion group for VFR pilots of all experience levels. The VMC Club meets on the third Wednesday of each month, the day after the IMC Club meets. The VMC Club offers monthly meetings in which pilots can network and share knowledge and experience. The meetings use real-world scenarios to engage members, and allow a free exchange of information that improves awareness and skills. The VMC Club is a hybrid meeting - in person at the hangar and remotely using Zoom. More information about the club and its mission can be found on our website at <https://chapters.eaa.org/ea524/vmc-club>

Frederick IMC Club

IMC Club meets: third Tuesday of each month, 7:00 p.m.

Location: Chapter 524 Aviation Education Center/Hangar, Frederick Municipal Airport

Interested in learning more about IFR flying? Scenario-based discussions are available here.

A community of pilots willing to share information, provide recognition, foster communications, promote safety, and build proficiency in instrument flying. IMC Club chapters offer monthly meetings in which pilots can network and share knowledge and experiences. Now meeting in person at the hangar. Drop by and share in the knowledge.

More information about the club and its mission can be found on our website at <https://chapters.eaa.org/ea524/imc-club>

Chapter Meeting Location & Time

Chapter 524 meets: first Thursday each month, 7:00 p.m.

Location: Chapter 524 Education Center/Hangar, Frederick Municipal Airport

As you enter the airport, park in the Terminal Parking lot. Walk south past the Frederick Flight School (yellow building). There are signs on the end of the second row of hangars for the Chapter. Additional information can be found on the Chapter website: <https://chapters.eaa.org/ea524>

Frederick Municipal Airport ,
330 Aviation Way, Suite J, Box #9
Frederick, Maryland 21701

EAA 524 Chapter Website
