Chapter Information..... 6

I have been following the budget needs of many institutions and government agencies this week and it seems to be a common story of most that they have spent their entire year's budget on the snowstorm this past week! This will go into the record books as one of the most expensive storms in this area to date.

I for one am looking forward to spring and warmer weather, it will be good to be back in the air and at the airport enjoying aviation.

I was reading an article in the electronic newsletter from EAA National that all members who work with youth will be required to participate in a Youth Protection Policy and Program by May of this year. This means all of us who work with any youth must go through this program, even if the parent is present at the event or you are the parent of the child.

This is nothing new to our society. Any of us who have been active in a school, church, daycare, or any other youth program have been required to go through this training and background check. I have to agree that protecting our youth from possible abuse is paramount!

The link to get started is www.eaa.org/youthprotection. I hope all of us will have this requirement completed by May.

Wishing you clear skies,

Mark Gosselin
EAA Chapter 524 President

February Program

The program for the February meeting will be "An Intro to ForeFlight", presented by Kelby Ferwerda from AOPA. If you want to learn more about this extremely popular app, please be sure to join us. If you happen to have an iPad with the app on it, please bring it along so we can pass it around for everyone to see it firsthand.

In addition to the program, we are going to have another guest speaker. Larry Jarkey, the President of the Frederick IMC Chapter will be joining us to introduce himself and tell us a little bit about IMC, now that they are a part of EAA.

If you haven't sent in your dues for 2016 yet but plan on joining, renewing, re-joining, please bring your payment to the February meeting. As you know by now, we will be ordering name tags for all paid Chapter members and we'd like to submit the order as soon as possible. If you don't make the cutoff date for this first order, it may be a while before we place another one so don't delay any longer!

Chapter Banquet

Mark Pankratz, the coordinator of this year's banquet has been very busy attending to all the preparations and he wanted to pass along the following updates. [Ed.]

The date is March 12th and this year it will be held at AOPA's National Aviation Community Center (NACC). The address is 296 Bucheimer Road, Frederick (the large hangar just south of our EAA hangar). Doors will open at 6:00 p.m., dinner starts at 6:30. The cost is \$50 per person. Meal options include Tuscan Pappardelle (pasta), Chicken Piccata or Cedar-Plank Salmon. There will also be Hors d'oeuvres, rice pilaf and vegetables, bread knots and dessert. Coffee and tea will be provided. Bring your own alcohol. There will be glassware and china for our use, and an attendant to clear empty dishes.

Our presenter will be Dr. Chris Lang, an emergency care physician at George Washington University Hospital. Dr. Lang is a former flight surgeon, and will be presenting on OTC medications and psychoactive substances.

Please pay Ernie O'Roark in advance (with your meal request) at February's meeting (or as soon as possible) so we know how many meals to tell the caterers.

We are also looking for cleanup volunteers afterward, or else we pay a \$250 cleanup fee. Mark says he plans to be there around 5:15 for the setup and could use some others for help.

David Young representing the Boy Scouts is looking for help from EAA on April 15-17. There will be about 200-300 scouts at the airport during this time. He wants to have some of the Chapter members give orientation flights, but in manufactured planes only, due to insurance/liability.

The Ford Tri-motor could potentially be scheduled for June 13-15 (Monday – Wednesday). \$3,000 is the required contribution expense from the Chapter. That expense will cover hotels, fuel, meals, car rentals for the crew.

Rex is doing a condition inspection on his RV-12 in great detail.

Board Meeting Minutes

14 January 2016

Meeting brought to order at 7:05 p.m. by Mark Gosselin.

Present were Mark Gosselin, Mark Pankratz and Jack Fromm.

Mark G. heard from Kristin Busse that we are confirmed for the Ford Tri-Motor tour stop from June 13 – 15. Mark has talked to Dean Stickell about approaching the Ford dealership again for a sponsorship. Joe Halleman has agreed to handle publicity in Frederick. Chris Gunther will get the van again. Mark says we still need to approach Landmark about the fuel discount and we need to find a hotel to offer a discount.

The Boy Scout Camporee is April 16 and 17. David Young has offered to provide breakfast and lunch for our Chapter volunteers on both days. Mark G. said for the rib forming project, he'd like to replace the plastic hammers with heavier ones this time. Mark will prepare a volunteer sign-up sheet, put together a lesson plan and recruit airplane owners to bring their aircraft for a static display.

Bob Miller's daughter has offered to help design a Chapter T-shirt. She and Bob will bring a prototype to the next Chapter meeting when they should have an idea about cost.

Mark P. gave updates on upcoming programs and speakers for the next few meetings and the March banquet.

Meeting adjourned at 7:35 p.m.

Jack Fromm for Erick Webb, Secretary
