## President's Message

Greetings EAA Chapter 524 Members and Friends,

Many chapter members have worked diligently to restore the exterior of our chapter hangar. The pictures kind of say it all except for all the hard work that went into the prep and painting.

I extend my appreciation to the airport managers for helping supply the paint, to everyone who brought equipment and those of you who showed up and put so much effort into the project. I am not exaggerating when I say you can tell our hangar from the rest all the way across the field!

The hangar is going to look great for the AOPA fly-in!

Speaking of the fly-in, we still can use some help May 10<sup>th</sup> and 11<sup>th</sup>. If any of you have not already signed up but would still be willing to help, please let me know at our next meeting May 2<sup>nd</sup>.

Wishing you clear skies,

**Mark Gosselin**  
**EAA Chapter 524**  
**President**

## May Program

### First-time Builder's Experience

Having made most if not all the mistakes a builder can possibly make, I feel passing along my lessons learned could be useful to our membership. Come hear about my experiences both good and bad.

Mark Pankratz

## Welcome, IMC Club

As first reported last month, the chapter IMC club will now officially be holding their monthly meetings at the chapter hangar. They meet on the third Tuesday of each month at 7:00 p.m. Also, club president Larry Jarkey has joined our chapter board. His contact information appears in our newsletter masthead. We welcome the IMC club members to our venerable facility and look forward to a lot of "cross-pollination" between our groups.

## April Board Meeting Minutes

11 April 2019

Meeting brought to order at 7:04 p.m. by Mark Gosselin

Present were Mark Gosselin, Mark Pankratz, Ernie O'Roark, Jack Fromm, Rex Bullinger, Dean Stickell

AOPA Fly-In May 10-11, 2019; Mark G shared that we had good volunteer coverage for the Saturday morning first shift at the AOPA pancake breakfast but we were still a bit short for Saturday second shift and for the Friday shifts.

Workshops: Rex learned that we may have two more workshops scheduled for this year, Electrical and Sheet Metal. He has contacted Mark Forss to determine the dates.

Tri-Motor restoration: the chapter has received \$550 in donations dedicated for that project. A chapter member has promised to make up to difference so that our chapter can submit a total of \$1,000 for the project. Mark Gosselin will notify National that we will commit to the Bronze level donation of \$1,000.

Chapter Recognition Program: Mark Gosselin reported that he has learned that our chapter scored an 8 out of 10 on criteria like: Young Eagles, Flight and Technical Advisors, a growing membership, attendance at the Chapter Leadership Training seminar. Only 36 chapters, out of a total of more than 1,000 scored better than ours.

IMC: at the April membership meeting, Mark Gosselin and Larry Jarkey, discussed the details of the IMC club using the chapter hangar for their monthly meetings on the third Tuesday of the month. Larry is also now an official chapter board member.

Mark G. said he had received an email from Rick Johnson, the airport manager, expressing his appreciation for the chapter's painting of the hangar and he congratulated us on the quality of the job.

Meeting adjourned at 7:56 p.m.

Submitted,

Jack Fromm, for Erick Webb Secretary

## Hangar Painting

As Mark Gosselin mentioned in his opening letter, several chapter members pitched in for a team effort over several sessions to spruce up the exterior of the chapter hangar. The pictures below are a testament to that effort, starting with a dramatic before and after pair. Thanks to Mark and Ernie for the photos.

In between the work, there was time for some Young Eagles fun! Sydney Gunther takes a well-earned break from painting for a flight in Dean Stickell's Glasair. This was her second Young Eagles flight. Her first was when she was eight years old.
