Greetings EAA Chapter 524 Members

After the November meeting elections, I find myself dug in for another two years. I thank you all for the vote of confidence you have shown in me to lead our Chapter. I hope we will have another great year. Our programs have been better than ever. I never leave a meeting without more knowledge than when I arrived.

Our events have been wonderful. The Ford Tri-Motor, Women Fly It Forward, National Learn to Fly Day, our Chapter picnics, Workshops and yes, even the Chapter housecleaning was a fun event. We should have as much fun next year. Planning has already begun for next year and we will have a calendar of events posted soon.

I hope to start a regular education program for young people soon. With all that said, we could sure use some help from Chapter members who enjoy teaching and being around kids! Stay tuned for more information. Hopefully we can get into the swing of things by the new year.

Looking forward to seeing you-all at our meetings. Stay warm and dry!

Wishing you clear skies,  
**Mark Gosselin**  
*President EAA Chapter 524*

## December Program Details

Last June, Dave Hirschman regaled us with stories of the "World's Best Places to Fly". Next month, back by popular demand, Dave will present a photo tour of his recent visit to our northernmost state in "Flying Alaska". Don't miss it! Thursday, December 5 at 7:30.

## Looking Ahead to 2014

As Mark mentioned in his opening letter, the biennial election of Chapter officers was conducted at the November membership meeting. There were no additions to the slate of nominees and all those nominated were approved unanimously. Mark will be serving another term and he will be joined by three new officers. They are:

Mark Pankratz - Vice President  
 Erick Webb - Secretary  
 Ernie O'Roark - Treasurer

We welcome these new officers and thank them for offering their service to the Chapter.

At the November Board meeting, we began the preliminary planning for next year's events. One positive piece of good news is that we will start the year with the return of the RV Assembly workshop.

It will be held the weekend of January 18-19. Doug Kelly says that, while this is the only one scheduled so far, he is still hopeful that we might secure additional workshops later in the year.

We also have some tentative dates for the Chapter banquet and picnic. See the next page for that information.

Doug Kelly is also busy working on ideas for next year's programs. He set the bar pretty high with the excellent series of programs he lined up for us this year, but we have no doubt that next year's installments will be just as entertaining and informative, if not more so.

We hope to see everyone at the final meeting of 2013 on December 5th.
