## President's Message

Greetings, EAA Chapter 524 Members and Friends,

**W**e are almost into the fall Season (my favorite). The air is crisp, our airplane performance increases, the colors under us are a beauty to behold! As I have said just a few times, what a privilege it is to fly. I would also add what a gift and freedom it is to fly in our country.

This is an election year for our chapter officers. If anyone would like to step up and help on any level, please see me at one of our meetings or events. Some areas we could use help in are: planning the workshops, event planning such as food at chapter meetings or the annual banquet, Young Eagle rallies. If you have any ideas of how to make our meetings or other events more fun, help us out and volunteer!

Remember, our October 3<sup>rd</sup> meeting will be a picnic starting at 6:00 p.m. The chapter will provide the main course and soft drinks. If attendees could bring a side dish or dessert, that would be great. Also, if you have a favorite beverage you would like to bring, feel free to do so.

Wishing you clear skies,

**Mark Gosselin**  
**President**  
**EAA Chapter 524**

## October Meeting

As Mark mentioned in his opening letter, the October meeting will be a picnic so there will not be a regular program. The starting time will be 6:00 instead of the normal 7:00 p.m. For the November meeting, we will be visiting the FDK control tower. This one will also probably start earlier due to the tower controllers' hours. More details on the tower visit in the next newsletter.

## Cub Progress

Final assembly is progressing well on the Cub, with many items completed or nearing completion: windshield, windows and skylight, seats and seatbelts, horizontal stabilizers and those pesky lightning bolts. It's almost ready for the wings to be mounted so if you've done any volunteering on this project and haven't signed the wing roots yet, you'd better do it soon. You can follow the [progress of the project on our website](#).

## September Membership Meeting Minutes

05 September 2019

Meeting brought to order at 7:00 p.m. by Mark Gosselin

Brad Thompson presented the program entitled "My Journey in Aviation. He told two stories, one each from his naval aviation and airline careers, that were at once entertaining, hair raising and instructive.

Mark Gosselin was the winner of the 50/50 raffle.

Jerry Blake gave a Cub project update. Next steps are to pre-oil the engine and hang the prop. Then final assembly will begin. First flight is not too far off. Ernie reminded everyone that anyone who worked on the Cub should sign the wing root.

Joe Halleman reported that his new work schedule has allowed him to resume his flight training. He has also installed a starter on his Challenger project.

Mark Gosselin is doing his 100-hour inspection and installing ADS-B equipment.

Dean Stickell reported that Raegan flew eight hours with Bravo in the month of August. Sydney has been flying on weekends. Neither has soloed yet.

Rex thanked all the volunteers who helped with the recent RV Assembly workshop (another sellout) and mentioned that he had received the check from National already.

Mark G. - DAV rebuild to become a club airplane for them. Chapter looking for airplane donations to become club airplane to make flying more affordable.

Malcolm & Steve will be holding a Hall of Fame induction ceremony for their museum on October 20th. 11:00 a.m. at the NACC.

Mark G. reminded everyone that the October meeting will be a picnic. The chapter will provide the main course and attendees are encouraged to bring side dishes or desserts.

Meeting concluded at 8:25 p.m.

Submitted,

Jack Fromm for Erick Webb, Secretary

## September Board Meeting Minutes

12 September 2019

Meeting brought to order at 7:01 p.m. by Mark Gosselin

Present were Mark Gosselin, Ernie O’Roark, Jack Fromm and Rex Bullinger.

Mark reviewed the plans for the picnic which will take place at our October meeting. It will start earlier than usual: 6:00 p.m. Mark will bring propane, the meats, rolls and drinks. Members and guests will be asked to bring salads and desserts.

Scholarship update. We’ve heard that Sydney is doing great with her lessons. Ernie just gave Brenda \$1,800 dollars to continue the flying and that exhausts our current, chapter-funded scholarship balance. Raegan has passed her written test! She will be taking a short break from the flying, but when she resumes, she should be able to fly every day for a while. There is \$689 left from the initial payment we received from the Ray scholarship fund. The chapter will do what is required to fund her flying when that money is exhausted until we can get reimbursed from the Ray fund.

Mark would like to form a committee to lead the DAV build project. Tim and Doreen Reger and Mark will be on the committee but Mark would like to get at least one other person. First thing on the agenda will be to draft goals and a mission statement.

Rex reported that he has been contacted by Mark Forss about our chapter hosting another RV Assembly workshop in January. Dates are still TBD but the board felt there should be no conflicts with any dates that month.

Meeting adjourned at 7:38 p.m.

Submitted,

Jack Fromm for Erick Webb, Secretary
