### President's Message

Greetings fellow chapter members and fellow aviation enthusiasts,

Spring is almost upon us, so take advantage of the improving weather if you can! I flew the Zodiac on Tuesday March 11th, and the Frederick Airport was extremely busy with pilots working on their landings. The weather was perfect-smooth with light winds. Glad to be at the airport again.

We have some excellent chapter events coming up. Our first fly out is on Saturday April 12, and we will meet at Lancaster Airport at 11AM. This is of course weather dependent, and there is a sign up sheet in the chapter house.

Also, don't forget our annual banquet at Dutch's Daughter in Frederick on Saturday May 10 at 5:45PM. Checks payable to EAA Chapter 524. Make sure you select your dinner choice, as this is a plated dinner not a buffet. Hope to see you there.

In closing, I would like to thank Gerry Blake for stepping up and providing the chapter with a great presentation on his Pitts build project.

Be safe and I will see you at the airport.

Bob Miller  
President  
EAA Chapter 524

## Alexander's Travel Journal

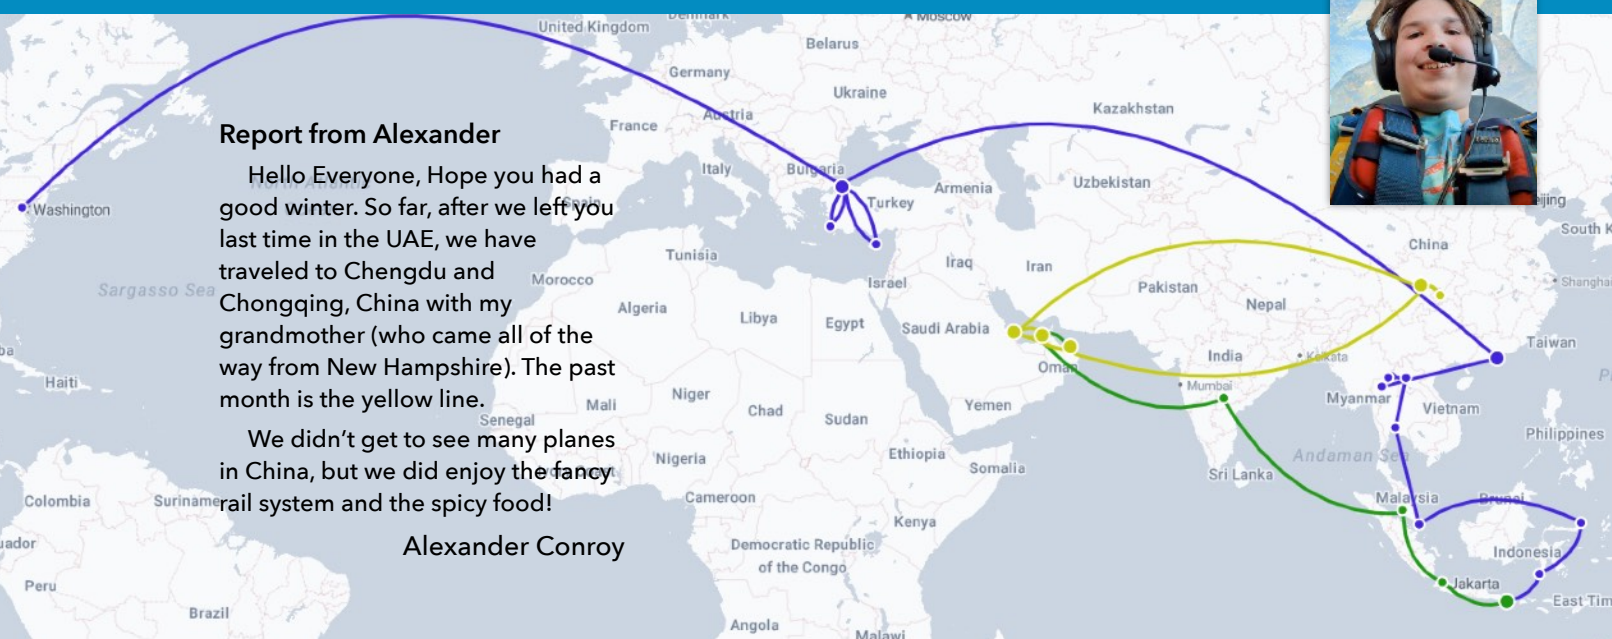

### Report from Alexander

Hello Everyone, Hope you had a good winter. So far, after we left you last time in the UAE, we have traveled to Chengdu and Chongqing, China with my grandmother (who came all of the way from New Hampshire). The past month is the yellow line.

We didn't get to see many planes in China, but we did enjoy the fancy rail system and the spicy food!

Alexander Conroy

## Alexander's Travel Journal ... continued

Here is a C32 (USAF B757 VIP transport) taking off out of Abu Dhabi

Here is an Omani C-130 at Muscat airport

The China rail system is really fancy! Although it wasn't nearly as exciting as flying, the seats we had were a lot nicer than we get in the sky.

This is an Emirates A380 similar to many you might have seen at IAD. One of these planes takes off every few hours here in Dubai.

## EAA Chapter Community

The EAA Community is huge. EAA Chapters, Ultralight, Acrobatics, and more. Many of these organizations are within an easy drive from Frederick. “ ... Several of our members belong to more than one Chapter, and talk about some of the events that their other Chapter is doing. Unfortunately, we often don't find out in enough time to be able to attend or even volunteer to assist. This section will provide others in our nearby Chapters to promote their news and events.

In addition, some of the smaller Chapters aren't able to have a newsletter due to man- power or resource issues. The deadline to submit items for this section is one week before the end of each month. “ A special thanks to Dianna Moy, Gettysburg Barnstormers, EAA Chapter 1041
