

VIRGINIA PUBLIC USE AIRPORTS

AMBASSADORS – LOCATING A STAMP

Virginia Aviation Ambassadors Stamps may be located in an airport terminal, fixed base operator's office, outdoors inside a mailbox or in other location(s). The list below should help you find the stamp at these airports. If you are still in doubt about where a stamp may be at an airport you plan to visit, please contact the airport operator for more information.

Brookneal-Campbell County Airport: the passport stamp is located in a gray mailbox located at the edge of the ramp next to the gate.

Blackstone: the passport stamp is in the mailbox on the fence (surrounding the mini orange and white checked, raised control tower). Check Airport/Facility Directory for notes on use. **Note:** we've received recent reports from Ambassadors that the stamp is now in the airport building.

Bridgewater: the passport is in the office which is open on weekdays. If you plan to visit on the weekend call the operator during the week to make arrangements. **CHANGE:** Now suggest that you make a phone call to Bridgewater Airport before flying in on weekdays or weekends. Also, check NOTAMs for the airport.

Chase City: the stamp is located in a black mailbox next to the Ambassador sign.

Crews: the passport stamp is located in the terminal building on a table.

Gordonsville Municipal Airport: the passport stamp is located next to the fueling system.

Grundy Municipal Airport: Grundy Airport is closed. No stamp is currently required for this facility.

Hartwood Airport: this facility is no longer considered a public use airport in Virginia and Virginia Aviation Ambassador participants do not need to obtain a passport stamp from this field to complete the program.

Hummel Field: the stamp is located in the white trailer located at midfield near the self-serve fuel area.

Lake Anna Airport: the passport stamp is located near the "Caution Active Runway Sign" - in the mailbox.

Lake Country Regional (formerly Marks Municipal Airport): the passport stamp is located in the little white shack next to the fuel pump.

Lawrenceville-Brunswick Airport: the stamp is now located in the new terminal building at the airport.

Lee County Airport (Jonesville): the passport stamp is located in a mailbox just outside the airside entrance to the terminal building.

Lunenburg County Airport: the passport stamp is located in the terminal.

Manassas Regional Airport: The passport stamp is located in the Office of the Airport Director on the 2nd floor of the main terminal building (10600 Harry J. Parrish Boulevard, Manassas, VA). Office is open from 0830 - 1700 M-F. Stamps are also available at the FBOs located on the field.

Middle Peninsula Regional Airport: The stamp is in the flight planning room between the WSI and the AWOS.

New Market: the passport stamp is in the white metal box to the right of the FBO door. **Note:** the New Market passport stamp was missing. A new replacement stamp has been provided and should now be in place, however, if you are unable to locate it, please obtain a signature from the airport manager or take a photograph and place a copy in your passport.

Norfolk International Airport: some Ambassadors report being charged a \$28.00 landing fee at Landmark Aviation when they don't purchase fuel. Suggest you call ahead to ask about this.

Orange County Airport: the stamp is now in a clean mailbox on the steps up to the self-serve fuel pump.

Ronald Reagan Washington National: a passport stamp is located at the Travelers Aid booth in Terminal A and at Signature Flight Support during operating hours.

Tangier Island Airport: On weekends, 11-4, the stamp is carried by the person who collects the \$10 landing fee with a golf cart. Monday-Friday, 9-4, the stamp is in the town office, the building just south of the airport apron, next to the weather-station antennas. A second stamp is available 7 days/week at Lorraine's Restaurant (757)-891-2225.

Twin County Airport: the passport stamp is located in the flight planning room of the pilot's section of the new terminal and is accessible 24 hours a day.

Wakefield Municipal Airport: the passport stamp is mounted in the terminal next to the sign-in book.

Washington Dulles International Airport: in addition to passport stamps at the fixed base operators, there is a stamp at the arrivals terminal information desk near baggage carousel #6
