President's Message December 2021

To EAA 533 Members and Families:

I hope you had safe and happy holidays. As we start the new year, we look back on all the challenges we faced as a chapter, a country and as families in 2021. I hope that 2022 is less challenging and allows us to have a more enjoyable life.

Hope to see everybody this year at the hanger.

Thanks,
Brian Jones

The speaker, Scott Hauser, manager of the Towanda airport, made an excellent presentation. It was noted he had problems with the A/V

equipment at the hangar, and at some point the chapter should look into an upgrade. Upon motion of David Javarey, second by Dick Welles, and vote, the treasurer's report was accepted as presented.

New Membership:

There have been no new membership applications or badge requests in the past month.

No change.

Hangar Tenants:

Kevin Hooey noted that his B-25 wings are close to coming in. Each wing is 18' 10" and weighs around 800 pounds. Kevin said he will need help getting them into the hangar. Joe Biancarelli said he has a front-end loader and trailer available to him, if it is needed.

Roof work will be a spring project.

Results of the board election:

David Javarey was elected to a three-year term. The officers have a year remaining on their two-year terms.

New Business:

Kevin Hooey opened a discussion on the hangar fire insurance policy. The costs per square foot have increased over the years, resulting in a need to update the coverage on the building (7,700 sq ft). Kevin will ask the company for quotes, with varying deductibles, for the board's review.

There being no further business, upon motion of David Javarey, second by Mike Depue, and vote, the meeting was adjourned at 7:55PM.

Respectfully submitted, Sharon Flanagan, Secretary
