Treasurer and Secretary – John Gregg  
1 year Director – Jack Norris  
2 year Director – Cheri McGunagle  
3 year Director – Dave Biddle  
Webmaster – Darren Henley  
Newsletter Editor – Alex Bodak

## Presidents Report

May 8, 2017

Hello Chapter 538 members!

This month we will have our business meeting the first hour of the meeting. I've been asked by a few members if we had received our Ford Trimotor revenue. I am pleased to say that yes we have received it. The totals were: 252 paid seats with 69 media, sponsor and volunteer seats. Also included where 10% merchandise (\$23.20) and half of the Silver Sponsorship of \$750.00. John has deposited it into our bank account which is now a total of \$2033.20 fatter! While we are on the subject, I mentioned last month of coming up with more fundraising ideas and like to further brainstorm for our next fundraising event. Something this Fall maybe? So write down your thoughts and bring them with you so they can be presented at the meeting for discussion. A raffle will also be held for the last of our Aircraft Spruce Gift cards. Keep in mind, all monies go to helping fund a permanent Chapter home. Anything and everything only helps! If you made it to Sun-N-Fun or the US Flight Expo in Marana last week bring your pictures and stories with you!

Following the break, the second half of our meeting we will have Steven Chung, Director – Emergency Services of Domestic & International Response Corps, LLC and his son Chris returning to present a follow up of last year's presentation of preparation and desert survival. This presentation will be of emergency survival first aid in case of the unexpected landing. Also, Chris (Young Eagle and Air Academy cadet) will speak to us about his applications, invitations and future.

Do you have a project you're working on and don't mind visitors? We're looking for members with projects that would like to show off their work! If you do, let us know and we'll work on having a project visit! Contact Carlos at [ea538baord@gmail.com](mailto:ea538baord@gmail.com) to coordinate.

I look forward to seeing YOU on Tuesday May 9, 2017 at 7:00 pm in the Deer Valley Airport Restaurant. Come early if you are hungry and enjoy the Social Hour starting at 6:00 pm. Please plan to attend, and don't forget to bring a friend!

Thank you for being a part of EAA Chapter 538!

Here is some of the **NEW Comprehensive Medical Examination Checklist** published 04/17

## SECTION 1 – Instructions to the Individual and State-Licensed Physician

This checklist is to be used by individuals seeking to operate certain small aircraft in accordance with Title 14 of Code of the Federal Regulations (14 CFR), § 61.113(i). This rule (BasicMed) allows pilots to use this checklist, and other requirements, in lieu of holding a third-class FAA Airman Medical Certificate. Under BasicMed, an individual may only act as pilot-in-command (PIC) of an aircraft that is authorized to carry not more than 6 occupants, and that has a maximum certificated takeoff weight of not more than 6,000 pounds.

1. The individual must complete SECTION 2 of this checklist and provide the checklist in its entirety (including the completed SECTION 2) to the state-licensed physician performing the medical examination.
2. The state-licensed physician must perform a comprehensive medical examination addressing all items in

SECTION 3 of this checklist. The physician completes the "Physician's Signature and Declaration" if the

physician determines that he/she is not aware of any medical condition that, as presently treated, could

interfere with the individual's ability to safely operate an aircraft.

3. The completed checklist shall be retained in the individual's logbook (in any legible paper or electronic

format) and made available on request.

4. In order to act as PIC under BasicMed, an individual must receive a comprehensive medical examination

by a state-licensed physician during the previous 48 months in accordance with 14 CFR 61.23(c)(3)(i).

FAA 8700-2 Comprehensive Medical Examination Checklist (04-17)
