

# EAA Chapter 54

Volume 41, Issue 12

Speed Holman Chapter

December 1996

## ELECTION RESULTS

At the November meeting election was held for Class II directors. The following members were elected; Jim Anderson, Scott Emkovik and Bill Steier.

Bob Westerberg retired from the board after serving for many years. He will be missed at the board level.

At the October chapter meeting the Bylaws were amended to increase the number of Class II directors from one to three.

Thanks to all the members that allowed their name to be placed on the ballot. This willingness is a indication of the enthusiasm existent within the membership. THANKS.

## NEWLY MINTED PRIVATE PILOT

After many years of being a off and on again student, Greg Bauer has completed is training and passed his flight exam. Now he are one.

Congratulations, Greg.

## NOVEMBER BOARD MEETING

The board meet on 11-19-96. This was the first meeting for those newly elected.

### Topics:

#### Annual banquet.

Date set for March again. Greg Bauer was suggested to take charge as he did such a great job in 96. Greg has agreed.

Speaker yet to be decided on.

#### Pancake Breakfast

Board agreed this project should continue. Ideas to expand participation of pilots needed. Chair has yet to be determined. Discussion was held as to use of profits. No decision.

## Young Eagles

Almost all Young Eagles on Al's list have been flown. Looking for ideas as to how to locate youth for 97. Annual June Young Eagles event will be combined with a afternoon picnic.

### Meeting place.

The need for additional space is becoming more and more evident. Jim Anderson and Bill Steier along with Dale Rupp will be working on this problem. Discussion about various solutions lead to no decision. Various thoughts about having a home of our own considered. More on this later.

### Membership retention/growth.

Board suggested this be expanded by appointment of a Chairperson for membership. The President will be contacting members to take on this project.

### Program thoughts, ideas, comments.

Board agreed that Steve Ogborn continues to do an outstanding job with this very important job. Steve was given some ideas regarding future programs and events.

### Other.

Always an interesting topic. Much discussion but nothing decided upon. Fund raising was a major portion of this topic. Should the chapter start a building fund. Begin by having raffles and than expanding into other events that could be sponsored by the chapter that hopefully would generate a profit. Always open for suggestions regarding other.

AOPA Mentor program was discussed. What it is, how to become involved.

## EAA CHAPTER 54 NEWSLETTER

Published monthly by Chapter 54 of the Experimental Aircraft Association (EAA) for the use, education and enjoyment of Chapter members and others to whom it is provided. No claim is made for the accuracy of materials presented. Editorial content is the opinion of the contributor and does not necessarily reflect the position of Chapter 54 nor the EAA.

## NOVEMBER MEETING

Topic: Problem solving. What EAA is all about. Helping with a problem.

Tom Marson presented some problems that have developed with high oil temperature on his recently completed Dakota Hawk. Members suggested that for the next few months this should not be a major problem.

## DECEMBER MEETING

Date -- 12-9-96

Location -- 11C  
Alpha Lane

Time -- 7:30 p.m.

### Program

Aviation in the UK.

Speaker -- Our own Dale Rupp

### New Members

Jack Doke  
927 Laquenta Blvd.

Winter Haven, FL 30881

Jack will soon be a full time Florida resident. He wants to stay in touch with 21D and feels that being a chapter member is the way. Hopefully he will join us for the annual Oshkosh work party weekend each year.
