The annual Chapter 54 picnic was discussed and will probably be located again at Ray and Joan Weland's hanger at Elmo sometime around the **third** week in August. The Chapter will supply the refreshments for everyone who attends. There will also be airplane rides for those who want them.

I recently received a phone call from Bob "Texas Flash" Willford. Bob says to say Hello to everyone in the Chapter and that things are going well in Texas. The Texas Flash is continuing work on his W-2 and says he has most of the foam on the aircraft. He also will be flying up on one of the airlines to Minnesota sometime during the last week in July.

July 15th is the last day to register for the AC spark plug Rally.
