SPEED HOLMAN CHAPTER-54
ST. PAUL, MINNESOTA

April Meeting: Monday, April 9, 7:30 PM. Sanborn Aviation
President: Gerald Laundry 647-0259
Vice-Pres.: Bill Schanks 645-2420
Sect/Treas.: Rosemary Frank 451-8187
Designees: Roger Westerberg 735-3158; Al Amsden 484-4058

Around the Club: Talked to Gerry tonight. Sez he was in the process of applying the final coats to the Colt. Everythings about done and it won't be long before she'll be off to the airport.....The Hoboes held their first annual banquet at the Afton House, and a good time was had by all, I hear.Last month's mid-month meeting was attended by forty members all admiring the nice work done by the Hoboes on the Colt which, incidentally is in need of an appropriate handle, something that will go good along with Elvira if anyone has any ideas.

The MSAA annual banquet is coming up shortly. April 21 at the Sheraton Inn Northwest(I-94 and US. 52). All EAA members should have received notice in the mail but if not, Gerry will have tickets at this months meeting. There'll be a raffle for a Telex headset, EAA jackets, gift certificates and so on. Speakers and guests will include some of the local old-hands in aviation that will probably share some entertaining and amusing stories regarding flying in Minnesota country.

Well, the time of year has come when the towering mountains of snow rapidly dimenish into raging flood waters, and among other things, its time to dig down into the old pocketbook and come up with seven-fifty, folks. That's right, dues are due, so bring the bread along to the next meeting to insure you're place on the active list.

Mr. Chuck Larsen will be hosting this month's mid-month at his place. All the details appear on the enclosed flyer, so I won't include them here.

That's about it for now,

KEEP BUILDING !

KEEP FLYING!

-bob coon
