PAT DRISCOLL, RAY WYLAND, ROSEMARY FRANK & GERRY LAUNDRY attended a MSAA luncheon on Saturday, February 20, at the Registry Hotel in Minneapolis. The purpose of this luncheon was a whistle stop tour EAA is sponsoring to promote the new EAA Foundation being built in Oshkosh. Be sure to watch the mail asking for YOUR donation to the Foundation and be sure to faithfully read Sport Aviation for its progress.

Be sure to attend this very important March meeting. An excellent guest speaker, JIM MONTAGUE, will be in attendance speaking on his Swift project and its activities. Jim will also have films to show. Jim is promoting the Swift in Kentucky Dams, TN and will have chances to sell on a new Swift at the meeting.

Forty members attended a very successful and fun banquet at the Picadilly, February 13. The food, as usual, was delicious, the service was excellent and the company superb! A very good time was had by all.
