MEETING: Monday May 10, 1982 - Sanborn Aviation - 7:30 p.m.

GENE & ROSEMARY FRANK have their Breezy at the airport now readying it for its first flight. ROSEMARY has been seen giving tours of the airport on the Breezy. Two hours tac time now!

NORM SCHWEITZ has his engine installed and is getting the KR2 ready for flight.

RON VOELKER has been flying his Zenith. He has 19 hours on it as of last month's meeting.

JERRY SARRACCO, DARRELL LEMIRE, (former Chapter 54 members) and his son PAT, RAY WYLAND, AL AMSDEN, BILL SCHANKS, DAVE FIEBICER, ELEANOR RENWICK, GUS LIMBACH, PAT DRISCOLL, and his son, MIKE, all attended the Oshkosh workparty May 1 and 2. They cleared some woods, built a new building and toured a couple of airplanes - a B-17 and a F8F Bearcat. A good time was had by all in spite of the hard work. PAT DRISCOLL did not sing which was fortunate for all. I understand, also, PAT's son MIKE now holds the World Record for "most hot dogs consumed in one day." Congratulations, MIKE.

For Sale: Coot project, complete except engine prop & tank, instruments. 95% + parts completed. Wing complete and ready to cover. \$6,000 invested. Current designers estimate for above parts \$8,500. Partnership possible. JOHN JOYCE - 426-4600.
