JUNE MEETING

NEXT MEETING

MONDAY

JULY 14, 1993

The June meeting was brought to order by President George Mathiesen with a small but lively group in attendance.

We had a senior guest at the meeting. Betty Isaac's father, STANLEY LASIEWICY. STANLEY will be 90 in December of this year and was a B-2 pilot. He flew in the original MB-2 of the 1920's.

STANLEY has submitted some of his war pictures to the museum at OSHKOSH. They were very well received. Some of them are going to be blown up and put on display at OSHKOSH.

We again discussed the YOUNG EAGLES PROGRAM. Dates are Saturday, August 7 and Sunday August 8 at Lake Elmo Airport. We need pilots, instructors, volunteers. Please call GEORGE IMMEDIATELY. This is a very important part of being a CHAPTER 54 member and President george will be coordinating the whole event. George can be reached at 455-9271.

DALE RUPP is really busy rebuilding the TAYLORCRAFT L-2. If anyone has any spare time, please call DALE at 653-1054. He will put you to work!!!

We are still see-sawing about a new meeting place.

JACK HICKEY'S PIETENPOL

Jack Hickey, Technical Counselor of Chillicothe, MO and his Pietenpol painted to resemble a Fokker V-20.

Jack Hickey is working on the nose bowl for his Pietenpol, filing down the foam.
