**SPEED HOLMAN CHAPTER-54**  
ST. PAUL, MINNESOTA

JUNE 1990

President	Roger Westerberg	458-0708
Vice President	Bill Schanks	645-2420
Secretary Treasurer	Rosemary Frank	451-8187
Newsletter Editor	Mark Wilson	454-8926

## AIR ADVENTURE DAY

Chapter 54's Air Adventure Day is set for Saturday, June 30. An invitation to attend has been extended to Junior and Senior High School students of the Inver Grove Heights school district. Participants will build a balsa glider and a wing rib. There will also be static displays of chapter members' aircraft. Needed are at least 12 chapter members to volunteer their time that day. Volunteers are also asked to attend a rehearsal, to be held the evening prior, June 29th, at Dennis Hoffman's hangar at Lake Elmo. For more information, and/or to volunteer, call George Mathiesen at 455-9271 or Bill Schanks at 645-2420. These gentlemen are spearheading this event and need your help.

## CHAPTER PICNIC

Ideas are needed for a flying competition to be held in conjunction with this year's chapter picnic. It was suggested at the May meeting that we hold some sort of an air rally or poker run the morning of the picnic. We'll try to firm up plans for that at the June meeting. The picnic is scheduled for Sunday, August 5th. The pot luck dinner will begin at 2:00. Hamburger, brats and pop will be provided. A sign-up sheet for the pot luck will be posted at the June and July meetings. We will also attempt to get a group photo of chapter members' aircraft on the day of the picnic.

## VOLUNTEERS WANTED

If you will be attending EAA Oshkosh '90, Headquarters asks that you check your schedule and set aside some time to volunteer to help make this a successful event. The EAA Convention Office needs your name and the time you will be able to volunteer. Or you may contact the EAA Chapter Office and they will forward the information.

Volunteers are also needed for the EAA Pioneer Airport. This grass roots airport operates each weekend until October 7th of

this year. Free room and board is available at the EAA Bunkhouse and Volunteer Kitchen for any volunteers. For further details, contact Ron Twellman at the EAA Museum Office, 414/426-4800.

## NEXT MEETING

Next chapter meeting is Monday, June 11, 7:30 pm at Lake Elmo. Lots to talk about so be there.
