ANNUAL CHAPTER 54 FAMILY PICKNIC

Chapter 54 will hold its annual family picnic at Journey's End Airport on Sunday June 11 starting at 1:00 P.M. This is a family affair and members are urged to bring the entire family. (we should keep in mind that an airport can be a dangerous place for young children, and parents must take steps to maintain reasonable control of their young if we are to avoid an unfortunate accident) Chapters 237, 178, and 25 will all be participating in this picnic and each chapter is providing some of the food such as soda pop, watermelon, and ice. Each family should bring something such as slaw, casserole, etc. Lunch will be at 4:30 P.M. To keep us occupied till then the local chapter of IAC will have a practice, and there will hopefully be air rides for the wives and children.

VILLENDERER PITTS COMPLETED

Word has just been received that the Pitts being built by Jerry Villenderer has been completed and has made its first flight. No details have been received as yet, but apparently everything went smoothly.

PRESIDENT LEAVING TOWN

We are all sad to hear that our president Gary Wirth will soon be leaving the twin city area. Chapter 54 has made great strides during his administration and he leaves us a strong, viable chapter. We wish him well at his new endeavor and will look forward to seeing him at various fly ins.

CALENDAR

JUNE 11 CAP fly in breakfast at Anoka County. Breakfast free to pilots of state's clubs and antiquies. Aircraft will be protected.

JUNE 17-18 Burlington Wisconsin Air Show

JUNE 24-27 Work party weekend at Oshkosh. This will be sponsored by the Minn Sport Aviation Association. The party will depart from Anoka County on Friday night.

JULY 1-4 Fly In-Camp in at Cloquet Carleton County airport. Sponsored by chapter 272

JULY 15-16 AT PORT

With the eminent construction of a tower at Anoka County, Journeys End is rapidly becoming the Sport Aviation Airport of the twin city area. Flying for fun activities are increasing there and more and more of the EAA people will be moving their aircraft there in the near future.

EXTRA EXTRA EXTRA EXTRA EXTRA

The time for the 1972 convention at Oshkosh is drawing very near. Chapter 54 will attempt to get our members together for a weiner roast during the week. After much debate and pros and cons the time selected was right after the air show on Tuesday August 1. Weiners, buns, potato chips, pop, beer, etc will be provided, so all you have to bring is yourself and the entire family. Donations will be accepted to cover costs of food.

The weiner roast will be held at the campsite of the Leiters. This is a white and black travelow trailer, car is a '65 Dodge Polara Minn Dar 3.2. There are two other ways to facilitate finding the site. We will have notices seeking baby sitters up on the buletin boards, with a map showing our location. Will also put a "54" in the corner of this notice to identify it. Also, we will be taking the trailer to Oshkosh this weekend (July 22-24) and returning to St. Paul. You can find our location by calling (774 7214) during the week of July 24 to July 27. We will then be leaving to Oshkosh on Friday July 28.

In addition to the weiner roast I would like to remind you of the need for volunteers in the security patrol headed up by Gus Limbach. There will be a house trailer on the field as headquarters for the Safety Squad. You should report to this trailer if you have a little spare time to help out.
