JACK HICKEY

OCTOBER MEETING: Monday, October 14, Northern Automotive, 7:30 P.M.

Chapter 54 NEWSFLASH: Another 400 hour student has just passed his check-ride for his private license. No names will be mentioned but his initials are RAY WYLAND. Nice going Ray.

MEETING ATTENDANCE Last month's meeting was attended by a majority of the members and it was really nice to see so many faces there. Let's try to do as well this month.

MID MONTH MEETING The mid month meeting for this month will be at Gil Leiter's house. (See enclosed map) Date and time will be posted at the meeting on Monday. Gil is building a Stits Playmate and the bird nearing completion.

October Meeting Discussion Topic Chuck Larsen (otherwise known as the Conduit Kamikaze) has lined up an interesting topic and guest speaker for this month. Tom Kohout, Safety Director for the Mississippi Valley Air Surfers Association will give a presentation on Hang Gliding that promises to be very interesting.

Directors Meeting A meeting of the directors of Chapter 54 was held at Jack Hickey's during the past month and the subjects discussed will be continued at this month's meeting.

Tidbits Bob Larsen is now flying his General. we'll try to get a report for next month's newsletter. Jack Hickey will be moving to his new house sometime this month. He also has the fuselage on his second S.E.-5 almost ready for cover. Graydon Carlson has most of the woodwork completed on his Flybaby. (Nice workmanship)
