SPEED HOLMAN CHAPTER-54
ST. PAUL, MINNESOTA

SEPT.

SEPT. 11

Meeting: Monday, Sept. 11 - 7:30 P.M. Sanborn Aviation
President: Gerald Laundry 647-0259
Vice President: William Schanks 645-2420
Secretary/Treasurer: Rosemary Frank 451-8187
Designees: Roger Westerberg 735-3158
Al Amsden 484-4058

Last Month's Meeting: Congratulations are in order for several chapter 54 members. Norman Schwiets, Yr-2 builder, recieved at Oskkosh, the Dewey Bryant Youth Award, for the outstanding work he has been doing on his project. Norm is our youngest chapter member and one of the most productive. Congradulations from all your fellow members, Norm.

Two Chapter 54 members placed in the A/C Spark Plug Relay this year. V.P. Bill Shanks flew "Elvira" to 6th place in the factory built class. Chapter designee, Al Amsden, flew his sharp little Mustang to 5th place in the Homebuilt Category. Good Work, Guys!

The annual Chapter 54 picnic was an all out success. The picnic took place once again at Ray and Joan Wyland's Hanger at Elmo. Ray says that he put close to three hours flying time on the Kooner giving rides to picnickers. Chapter Pres. Gerry Laundry was also offering rides in the Flutter-Bug and among those brave enough to accept the invitation was our Chapter sec/treasurer Rosemary Frank. I understand that Florian Sullivan was giving rides in his beautiful T-18 and that there was even a special surprise visit from Darth Vader himself. A fine time was had by all and this years picnic qualifies as the most successful so far.

Did you know that Chapter 54 has 3 CFI'S among its members? Or did you know that 60% of our membership attended Oskkosh this Year? Pretty Cool Gang!

Buy, Sell, Trade, and Lend, Etc. Dept.

Jack Hickey as a fly Baby project for sale. The Project is close to completion and Jack is asking \$2500.

Gene Frank is looking for serviceable wiring harness for his recently purchased C-90.

Cal Jensen is looking for a heated shop area in which to complete his T-18 project. Cal says that he is willing to accept a partner if that partner has the necessary work area available. Quite an opportunity I'd say!

Jim Tome informs us that there will be a sport aircraft display at Bar Mar Mall, starting the weeking of Sept. 22. Aircraft from T. C. Chapters will be on display. Jim needs volunteers for security and public relations purposes. There will be more info at the Sept meeting.

Speaking of the Sept. meeting, Chapter Pres. Laundry has made arrangements for a guest speaker this month. Aviation Artist Bob Lenn will be on hand to discuss and display his art work. Bob had an exhibitio of his sketch's and prints at the T.C. Aero Historian's Show at the Regency this month. Should be intresting so please plan to attend.

Before closing I'd like to express wishes for a speedy recovery to Rosemary Frank on behalf of all the Chapter 54 members. Rosemary is quite a Lady and I know we all hope she's feeling better.

Keep Building, Keep Flying!
