MEETING MINUTES

The FEBRUARY meeting was brought to order at approximately 7:30 P.M. by President George Mathiesen at LR DATA INC in White Bear Lake.

PRES GEORGE has all kinds of information he brought to our attention. If you are interested in developing the AIR CAR, interested in the KIT FOX, interested in the BURROUGHS catalog of aircraft tools, PLEASE give GEORGE a call at 455-9271. He will be happy to start you in the right direction.

We discussed MAJOR ACHIEVEMENT AWARDS, the upcoming BANQUET, YOUNG EAGLES, our WORK PARTY and AIR ADVENTURE DAYS. We are looking for a coordinator for AIR ADVENTURE DAYS. Any volunteers???

GENE FRANK was selected for the job of TECHNICAL COUNSELOR.

Our meeting was then adjourned so we could turn the program over to our host, SCOTT HUTCHINSON of LR DATA INC. SCOTT treated us to coffe and donuts and let us play at COMPUTER FLYING. All in all, it was alot of just plain fun.

Respectfully submitted  
Rosemary Frank, Secretary

GUESS WHO'S BACK?

GIL LEITER has rejoined CHAPTER 54. GIL says "Barb and I are in the process of GETTING BACK TO FLYING. They have just completed a groundschool. GIL wants to work on the L-2 and GET IT UP IN THE AIR!! GIL's "PLAYMATE" needs only fabric and paint plus some engine overhauling.

WELCOME GIL!!

Our ANNUAL CHAPTER BANQUET was very well attended. Overheard from members - AWADA's is a great place for a banquet - service here is excellent - I have never been so well fed - my prime rib was rare, just the way I like it - my food was served hot - great place - orange roughy was superb - service here is always great - we could hear the speakers fine - nice setup - and so on and so on.

RICHARD COFFEY gave us an excellent talk on how the computer can help us fly - faster and much more efficient. There really are so many things available to us through our computer - all for our own safety and excellence in flying. We should never be LOST!! RICHARD YOU WERE GREAT!!

THANKS!! for an excellent presentation and THANKS to your lovely and equally entertaining wife JEAN for attending our banquet.

NOEL ALLARD then took over and showed some slides on airports around our neck of the woods. He asked us to guess the airports - well, we guessed and guessed - sometimes right - sometimes wrong - but it added up to alot of fun.

NOEL is a firm backer of the MINNESOTA AVIATION SYMPOSIUM also. He invited us all to attend at least the banquet portion of the symposium. They will induct into the HALL OF FAME, Olof A Anderson, Edwin Croft, Charles P "Chuck" Doyle, Col John V Kipp, Sven Peterson, Genl E W Rawlings and G B Van Dusen.

They will also celebrate 50 years of aeronautics with recognition of past Minnesota Directors. There will be a Governor's Award.

Entertainment will follow by the GOLDEN STRINGS.

All this on Tuesday April 27th at the THUNDERBIRD HOTEL in Bloomington. Registration forms will be available at the meeting or by calling Rosemary at 451-8187.

THANKS!! NOEL to you and YOUR lovely and entertaining wife, MARY, for making our banquet such a success.

Hope you come again NOEL and again THANKS!!

Respectfully Submitted,  
Rosemary Frank, Secretary
