 CHAPTER 54 MEETING: MONDAY, JANUARY 13, 1986 7:30 p.m. SANBORN AVIATION

Dear Chapter 54 Members and Friends:

This is the season when new chapter officers get put to work. Your support will be welcomed by all of them. Warm thanks to Jim Olson for a job well done as past president of Chapter 54. He stepped in when needed and gave us some pretty good times.

It's Chapter Banquet time again!! Note the enclosed flyer and get your reservations in pronto!! This has always turned out to be a good time of laughter and fellowship.

Our chapter copy of "Mach 2 to Oshkosh" has arrived and will be shown at the meeting on Monday night. Y'all come and experience the pleasure.

FROM HEADQUARTERS:

Scholarships administered by EAA and the EAA Aviation Foundation are open to all young people who are interested in a career in aviation. These scholarships range from modest grants to awards for full degree programs, with a combined total value for 1986 of \$100,000. Young people who are interested in obtaining application or more information should write to EAA Education Director, Chuck Larsen.

And don't forget EAA Air Academy '86. Young people aged 15 - 17 can turn in applications to the EAA Aviation Foundation, or contact Chuck Larsen for more information. The 1986 version will take place July 20 - August 5.

For those of lucky enough to make the trip to Little Falls on January 11, see you then. Otherwise, a safe and happy new year to you, and I hope to see you at the meeting on Monday.

Sincerely,

Eleanor
