

SPEED'S NEWS

HAPPY NEW YEAR

New chapter president George Mathiesen (455 - 9271) along with new VP John Thomas (430 - 1684), perennial incumbent secretary Rosemary Frank (451 - 8187), and newsletter editor Art Edlund (439 - 5912), send you our wishes for a happy aviating new year. Agressive plans to increase the number of CAVU weekends were being formulated. Suggestions are welcomed.

Chapter Survey

George (and the rest of us) would like to know more about our members, so do him a big favor and fill out the enclosed questionnaire. If you are suffering some dire emergency and cannot bring it to the next meeting, fold it up per the guides on the back and send it to him. Then mark a big 54 in the February 10th square on your new EAA calendar so you won't miss the next meeting. If you haven't got a place to mark your 54, come to the meeting and buy a calendar from the chapter.
