

SPEED'S NEWS

SPEED HOLMAN CHAPTER-54
ST. PAUL, MINNESOTA

MEETING: Monday, April 13, 1981
Sanborn Aviation - 7:30 PM

President: Gerald Laundry - 647-0259
Vice President: Sandy LeMire - 429-6422
Secretary/Treasurer: Rosemary Frank - 451-8187
Designees: Roger Westerberg - 458-0708
Al Amsden - 484-4058

Norm Schweitz and Darryl LeMire have volunteered to be roving reporters for this newsletter. Be prepared to be called on by them in the near future because members want to know what other members are doing!! If YOU wish to call, Norm may be reached at 429-0582 and Darryl may be reached at 429-6422.

Pat Riley - 448-5684 - is Looking For The Appropriate First Project. He is considering a glider and would like to know who among our varied, frenzied, and often anxious membership may have plans of or for the Cherokee Glider. He is interested in any articles, information, leads or whatever about these noble birds of fine pedigree.

ALSO - anyone in the chapter that feels they are onto a pretty good engine in the 18 to 20 horse range that might go well in a motor-glider - give Pat a jingle and he will listen to whatever they have to tell.

That's Pat Riley - 448-5684

Le bang sonique - - - that's French for sonic boom!!
Eat your heart out, Pat.

A very good time was had by about 20 members this month at the mid-month meeting held at the home of Clayton Richards. He is doing a beautiful job on his Focke-Wulf. I, for one, will be there when he gets it airborne.

If you store fuel or plan to do in the future, you can write for a FREE copy of an informative and timely brochure entitled "Fuel Storage Report." It answers the most frequently asked questions about fuel storage. To get a copy, write to T.I.B. Products, 44 County Line Road, Farmingdale, New York 11735. T.I.B. distributes a new safer fuel container, EXPLOSAFE, which will not explode, even in a fire.

Gerry Spiess and his Yankee Girl will be honored at a Bon Voyage party Saturday, April 18, noon til 2, in The Gardens (a city park in the new Town Square Bldg. located in downtown St. Paul. BE THERE!!

As a matter of information to our many new members, here is a list of services your chapter provides for you.

- 1) Chapter library (all issues of Sport Aviation, except one.)
- 2) Designee newsletters, aircraft info packets, FAA forms, books.
- 3) Midmonth meetings to see member's projects.
- 4) Workshops (whenever a member feels the need)
- 5) Monthly newsletter (this is it)
- 6) Bulletin Board (communication center for meeting nights)
- 7) Holman Hobo's Flying Club
- 8) Winter banquet and Summer picnic.

And speaking of members

Is Delmar Olson, last seen in Lake City, really planning a Playmate?

Whatever happened to Lee Alexander, formerly of St. Paul, rumored to be building an Acro-Sport.

Has anyone seen Bill Hart flying around in a Luscombe?

Has anyone heard if the rumor is true that Eldon Boose, Apple Valley, is still elbow deep in Volksplane plans?

Will Gene Lindscog, Newport, building a PDQ ever meet and compare plans with Scott Emkovik, St. Paul, also building a PDQ?

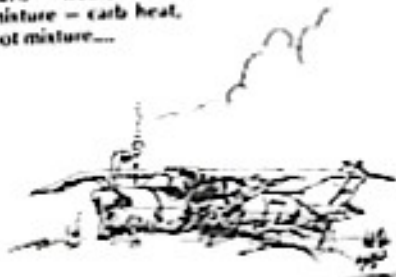

Is Graydon Carlson, Inver Grove Heights, still building a Flybaby?

When last heard from. Roger Richard of Shoreview, was building a Sonnori. Any truth to that rumor?

Does Bob Larson, South St. Paul, really fly a Mustang?

Is Greg Van Erem, Hudson, Wisconsin, KRI builder, still alive and well?

(Instructor to Student Pilot) *Pull out carb heat, not mixture - carb heat, not mixture - carb heat, not mixture....
