SEPT MEETING

September meeting will be held at 7:30 PM on Monday Sept 13, Mercury Aviation, Holman Field. Gus Limbach will present a program on aerodynamics and will demonstrate how to lay out a wing rib.

MID MONTH MEETING

Mid month meeting will be held Monday Sept 27 at Gary Wirths, 2150 Jefferson Ave, St. Paul. Gary has his Termite project and a newly acquired Pietenpol plus several engines.

PROJECTS LIST

Gordon Bock is preparing a list of chapter 54 projects. This will include information on the type, current status, and general information. When complete this will be published in the newsletter.

CATALOGUES

Aircraft supply catalogues from G + M, B + F, and Wag Aero have been received and will be available at the Sept. meeting.

FLY INS

Antique Airplane Association at Journeys End Airport, Forrest Lake--Sept 12

Mora, Minn. Sept 12

SPORT AVIATION ASSOCIATION MEETING

A meeting will be held Sept 17 at 7:30. 7720 S. Pillsbury, Mpls. Restrictions on float planes will be discussed. Attorney General Warren Spannus will be in attendance and will answer questions.

OSHKOSH REPORT

The 1971 convention was again a big success. A total of 808 show planes were in attendance, 42,228 operations took place during the week, and the camp grounds were filled. A Pazmany built by Sam Pawlowski was the grand champion amateur built, and a Vultee VIA was the champion antique.
