SAINT PAUL

54

Dec '8th, '76

PRESIDENT: Chuck Larsen  
Vice-President: Gerald Laundry  
Sec/Treas: Rosemary Frank  
Designee: Roger Westerberg

Dec. Meeting : Mon, Dec 13  
Sanborn Aviation Hanger  
Downtown St. Paul Airport

At the last meeting - there was again discussion of the impending insurance legislation. It was decided that not all Chapter 54 members should write at that time to their representatives because:

1. Nobody knew for sure, nor had been able to find out, who is behind the proposed legislation, much less WHAT exactly it is that's being proposed.
2. It was suggested that some of us write, since this would begin to let legislators know that we know something is going on. (In case they should try to "sneak" it through the legislature.)

MEANWHILE, ACROSS THE RIVER- The last Chapter 25 meeting hosted Skip Humphrey (Author of the original Mandatory Aircraft Ins. Bill). According to Chris DONALDSON, who attended, things got pretty wild a couple of times, with some of the folks shouting. (Tsk, Tsk, ...a lack of communication?) HOWEVER, Mr. HUMPHREY made it plain that he WOULD be open to visits from delegations seeking amendments regarding homebuilts and antiques. Chris will of course have the very latest update for us at the meeting. This could be a note of progress.

Should Auld Acquaintance.... Graydon Carleon has informed us he is departing the Chapter. Good luck Graydon and don't forget us.

Overheard on the street-"Of all the dirty, lowdown, dishonest, rotten schemes I've ever heard.... I like yours the best."
