SAINT PAUL

## SPECIAL NOTICE:

I RECEIVED A LETTER FROM HEADQUARTERS AND WE MUST HAVE THE CHAPTER STATUS REPORT FOR 1973 AFTER OUR OCTOBER MEETING. PLEASE MAKE A SPECIAL EFFORT TO ATTEND OCTOBER 9th MEETING! ELECTION MUST BE HELD AT OUR NEXT MEETING.

Hey Gang!

As everyone in our chapter knows, Gary Wirum is no longer with us as President of Chapter 54. Gary has moved to Milwaukee permanently and will be seeking employment in that area as an engineer. Personally I don't think he will have much trouble finding a good job down there. I know I speak for all of us when I say, "We'll all miss Gary and his leadership as President of Chapter 54." (And he wasn't such bad sort either.)

As of the September meeting, I took over as President of Chapter 54 and have to admit that the meeting sort of slid in and out. I forgot to get the movies, not really forgot as our supplier of a 16mm projector was supposed to be in Greece with the A.N.G. and I sort of just gave up on getting a film. Then also I tried to call everyone on the phone as there was to be no newsletter this month. A lot of the guys weren't home or just weren't answering the phone. The reason there was no newsletter in September was that Gil Leiter is moving and I guess everyone knows that you sure don't have much time for the other things when moving. You're forgiven this time, Gil.

At our October 9th meeting coffee and donuts as usual, and bring the gals this time. A few of the wives of members have expressed a desire for a Ladies Auxiliary of Chapter 54. A motion was made and seconded in favor for a Ladies Auxiliary. Have your wife or girl friend, (not both tho) call Mrs. Cathy Magyar at 459-1995 to co-ordinate a meeting on our next monthly meeting night. The ladies will co-ordinate the picnic and such things, us Male Chauvinists don't want to do.

Might mention in closing that nominations for our annual Speed Holman Memorial should be made in the November meeting. A letter will be sent to all the Minnesota chapters also for nominations.

Be seeing ya,

Jack Hickey  
President Chapter 54
