

## CHAPTER 54 NEWSLETTER

### The December Meeting.-

The December meeting of Chapter 54 will be held 9 December 1968 at Elmo Aero, starting time 7:30 P.M.. The topic of discussion will be Airfoil Sections and will be presented by Gary Wirth.

### Change of Location.-

At the last meeting a suggestion that Chapter 54 change its meeting location was made. Harry Dahlquist volunteered to look into the matter. Because of the importance of this matter, it is recommended that as many members as possible be present at the December meeting.

### Norm Weston Returns.-

Norm Weston, past president of Chapter 54, has returned to the Twin Cities. Since a copy of this newsletter has been sent to him, I hope we will see him at the December meeting.

### T-18 Flies Again.-

Ron Zimmerman's T-18, which was involved in a mishap near Anoka last year, is flying again. While repairing the damage, Ron has also made modifications to the cowling to improve the cooling of the engine.
