SAINT PAUL

November Meeting:

The next meeting will be held Monday November 13, in the Northern Airmotive lunch room at the St. Paul Downtown Airport. Starting time is 7:30.(P.M.) This will be picture show night. If you have movies, slides, or still pictures taken this summer, bring them. A screen and an 8mm (super and regular) projector will be provided, but if you have slides you had better bring your own projector.

Election Results:

After a whirlwind campaign Jack Hickey was elected President of Chapter 54 at our last meeting. Roger Gellerman is the new Vice President and program Chairman. Harry Dahlquist remains the Secretary-Treasurer. These stalwart leaders are assuming office at once in view of the shortage of officers incurred due to recent departures and moves.
