The Oshkosh work party was well attended. There was six of us from Chapter 54 that flew to Oshkosh for the work party. Dave Piebiger and Ray Wyland both flew there planes. There was plenty of work for everyone. We worked on cutting up a big brush pile and also made out houses for the handicap at the convention.

There were many people that showed up at the mid-month meeting at Ron Voelkner. We all had a hand helping Ron mount his engine in his Zenith.
