### SPEED HOLMAN CHAPTER

JACK HICKEY, PRES 225-6672; ROGER GILLERMAN VP 699-3409

FLOREN SULLIVAN, DESIGNEE 739-3658

JULY MEETING was held at Northwestern Aeromotive, letters were addressed to Minnesota EAA members regarding the Air Show at Anoka and several films were shown.

AUGUST MEETING earlier announced as being Oskosh will be held after all, as a lawn party, or the "PRESIDENTS" party, at Jack Hickey's home.

This, I believe was part of the platform Jack was elected on, his promise to host this party and furnish the beer and lunch.

The time is 6:30 P.M.; August 16th at 596 Van Burn (just off Dale Street). Please call Joan Hickey for suggestions if you wish to bring something for lunch.

OSKOSH '73 was bigger and better fun my last attendance in 1971. Put it on your 1974 calendar if you didn't attend. The last weekend of July through the first weekend of August.

FOR SALE #7653 Propeller from 145 Cessna 170, fits C-170 and C-172 through 1957. Mario Burgerette, 777-0295. Mario is putting a 180 HP Franklin in his 170 and has this one to spare.

See you at Jack's Monday evening.

*Bring Oskosh Pictures*
