EAA Announces Inaugural Learn to Fly Week – May 15 to 20

Aspiring aviators will have the opportunity to discover multiple pathways to becoming a pilot as EAA presents its inaugural Learn to Fly Week on May 15-20.

Beginning May 15th, expert flight instructors and representatives from various aviation organizations will present free, interactive webinars. These webinars will cover topics from starting flight training, saving time and money in flight training, preparing for the FAA written exam, to passing the checkride, and so much more. While the live showing of these presentations will be open to the public, the recordings will be archived for EAA members to view at their convenience.

Learn to Fly Week will conclude on Saturday, May 20, with Flying Start events hosted at chapters across the country. EAA's Flying Start program allows EAA chapters to welcome, encourage, and educate new aviation enthusiasts about the fun, freedom, and accessibility of personal aviation in their local area. Following a short presentation about learning to fly, attendees will be offered a free introductory Eagle Flight to experience the spirit of aviation firsthand.

“Becoming a pilot is a dream for many, but few know where to start their journey. Learn to Fly Week was created to help encourage aspiring pilots to take action and begin the pilot training process,” said David Leiting, EAA Eagles Program Manager. “Our goal is to show attendees how accessible achieving their dream actually is.” Leiting also added that inspiration from this event stemmed from packed forums at the Learn to Fly Center at EAA AirVenture Oshkosh 2022, as well as the success of other EAA virtual events like Homebuilders Week and Virtual Ultralight Days.

Combining the educational forums from the Learn to Fly Center and the connections and inspiration found at Flying Start events, EAA Learn to Fly Week is the latest effort in the ongoing effort to help aspiring pilots achieve their dream of flight.

Sporty's Pilot Shop is the presenting sponsor of Learn to Fly Week. Sporty's will be participating in multiple webinars and offering product discounts during the week.

Full webinar schedule and more details on Learn to Fly Week can be found at EAA.org/LTFWeek.

Non EAA 551 Events:

Chapter 551 members, if you see other aviation related events that would be fitting to have in this section, please forward them to me, Ryan Rask, at RyanCRask@gmail.com, or tell me about them in person. I will add them as I get them if they are fitting, thank you for the help!

News and Notes:

YOUNG EAGLE FLIGHTS

Did you know that you pilots can still give Young Eagle flights (free flights to youth ages 8-17 years old) even when there is not a Young Eagle Rally? Pilots can find all of the information at <https://www.eaa.org/ea/youth/free-ye-flights/ye-volunteers/ye-volunteer-opportunities/ea-young-eagles-volunteer-pilots>

Young Eagle forms, Certificates of Young Eagles Flight, and Sporty's Log Book with access code to the Sporty's Online Ground School Program (\$249 value) are available to pilots to the right as you enter the Aero Club Board Room (Kitchen area).

The Young Eagle form to be completed in its entirety prior to flight, including parent/guardian signature.

Be sure to turn in your completed (flights given) Young Eagle forms. There is a file drawer below the TV in the EAA Chapter 551 Board Room marked for this. Pilots who are in compliance with giving Young Eagle flights and with each fully completed Young Eagles form, EAA Chapter 551 will be given \$5 in Young Eagle credits for each flight. EAA Chapter 551 can then spend those funds on items to support future Young Eagles Programs.
