Chapter Nominations:

The nominations worksheet has been posted in the chapter hangar. Please look it over and if you'd like to nominate someone that is not listed, please let Dwight Stock or Ed Hamilton know!

This election we will be voting on the president and (2) board member positions. Nominations for these positions will be posted before the September gathering and Elections will take place during the October gathering.

Nominations are as follows:

Chapter President

- Ed Hamilton (current president)
- Brent Meyer (current vice president)

Board Member (2 positions)

- Nolan Brimhall (current interim board member)
- Stu Mennie (current interim board member)
- Dwight Stock
- Kaylee Stock
- David Lee

A special thanks to Revone Bauwens for getting the VMC club established for Chapter 586. She is currently awaiting the necessary training from headquarters so we can get the club off to a great start.

Thanks to all of those that showed a desire to be a part of the VMC club. We are excited to get this program up and running and look forward to increasing our knowledge through a wide variety of real world scenarios in which a "what would you do" question will create an opportunity to learn from fellow pilots and instruction from a CFI. As we saw during our VMC club primer at last month's gathering, the short video gave the specifics of an actual event. Following the video, we had a good discussion of what was going on and what should be done to correct the issue.

Non-instrument rated pilots who want to improve their proficiency have an excellent resource through EAA's Visual Meteorological Conditions (VMC) Clubs. The purpose of EAA VMC Clubs is to build proficiency when flying under visual flight rule conditions.

Club meetings will take place on the 1st Thursday of each month. The first meeting is scheduled for October 5th at 6pm in the chapter hangar. Food will be provided starting at 5:30pm. If you are planning to attend, please let Revone know so we can plan accordingly for food and drinks.

If you are interested in being a part of this club, please let Revone know at the next gathering or give her a call at (812) 989-5164.

Chapter Fly-Out:

Next fly-out will be to the Reno Air Races. This will be the last time the races will be held in Reno and some speculate it will be the last year of the air races altogether.

Dates for the 2023 Reno Air Races are Wed, Sept 13 - Sun, Sept 17.

We will not be able to land at the Reno-Stead Airport for the event. We can choose to land at Reno-Tahoe, Carson City or Truckee Airports and catch a shuttle to Reno-Stead from there.

If you are planning to make the trip either by land or air, please let Charlie Ballard know at 602-300-7449. It would be great if everyone that makes the trip can get together at the event for some food and fellowship!

Chapter Merchandise

BACK

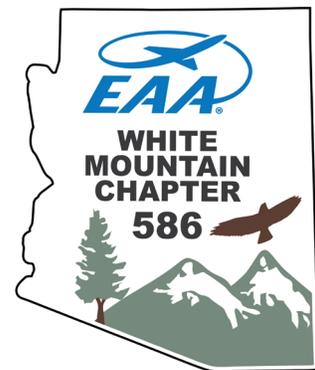

FRONT

EAA Chapter 586 Shirts - \$20.00 each
(with or without pocket)

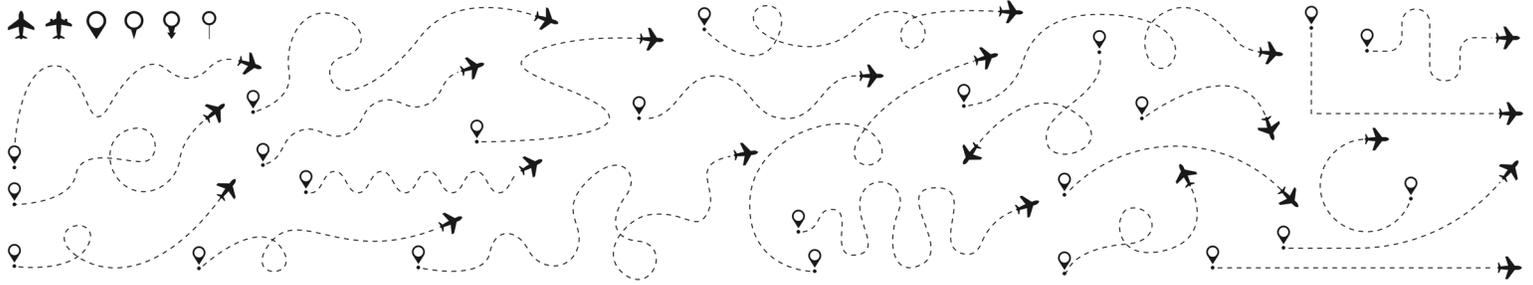

4" Round

Volunteers Needed for Upcoming Events

Pancake Breakfast
September 9, 2023

Young Eagle Rally
October 28, 2023

As we know from past experience, it takes a lot of people to put on these types of events and run them successfully. We want to put together quality events that the community and our chapter members can enjoy as we continue to promote all things aviation related at the Show Low & Taylor Airports!

Pancake Breakfast Needs:

Set Up & Tear Down / Cooks / Food Prep / Marshals / Shuttle Drivers / Parking Lot Ramp Monitors / Greeters / Cash Register / Dish Washers / Clean Up

Young Eagle Rally Needs:

Set Up & Tear Down / Flight Line Escorts / Registration Table / Marshals / Parking Lot Ramp Monitors / Simulator Monitors / Pilots / Greeters

If you can and want to help in any area of either event, please contact:

Ed Hamilton at 520-975-7353 or
Shay Lusk at 928-521-4148

Reminder!

Our next Chapter Gathering is Saturday, October 14th with the social hour starting at 9am and the gathering starting at 10am. Hope to see you there!

Day: Second Saturday of the Month
Time: 9:00am to 10:00am Social Hour
10:00am to 11:am Chapter Gathering
Location: EAA 586 Hangar (Lusk hangar)
(south hangars on E. Corporate Way)

If you know someone that *Builds... Flies... or Dreams* about Aviation, please invite them to join us!

Best regards from EAA White Mountain Chapter 586
