

WHITE MOUNTAIN CHAPTER 586

(LOCATED AT THE SHOW LOW AIRPORT)

OCTOBER 2022 - NEWSLETTER

A Word from the President... ED HAMILTON

I am really excited about the new interest in our chapter and the direction we are heading. Not too long ago we were pondering the thought of dissolving the chapter and donating the money we had to another non-profit club. In the last 3-4 months we have had several new members and great attendance at the monthly meetings. We had a fantastic pancake breakfast in conjunction with the Walking Down Ranch Veteran's Tribute on September 17th of 2022. In addition to a very successful breakfast we also had a great day of flying Young Eagles. We flew 22 Young Eagles before the strong winds grounded us for the day.

A SPECIAL THANKS TO EVERYONE WHO HELPED MAKE THIS EVENT A SUCCESS.

As you all know, we as a chapter currently do not have a Board of Directors or Executive Officers as required per our By-Laws. We as a chapter are taking this very seriously and are working towards establishing not only the Board of Directors but also the Executive Officers; President, Vice-President, Secretary and Treasurer. The Board of Directors shall be determined as follows per the By-Laws; Current President, Vice-President, Secretary/Treasurer and the Immediate Past President with Additional Directors not to exceed four in number. The board shall have no less than seven members.

A special meeting has been called to get our chapter on the right track. During this meeting we will discuss and nominate people for the board. And then, during the regular meeting on October 25th we will elect the Board of Directors & Executive Board members. Special Meeting Date is this coming Tuesday, October 11th at 6:00pm in the conference room.

Are you willing and have a desire to serve your fellow members... then put your name in the hat and help get our chapter on track and healthy! If not you, do you know a fellow member that has demonstrated good character and skill sets that you think would serve the chapter well, then nominate him/her and let's see how great our chapter can be going forward!

I see many great things on the horizon for our chapter and look forward to sharing them in the next "A Word from the President" segment in next month's newsletter.

One more thing, there is a Young Eagles training seminar on October 22nd at 9:00am in Don Lusk's hangar and everyone is welcome to attend. If you plan on attending please let Don know via email at dlusk@dwlusk.com or text message to 928-521.1632 so we can plan refreshments accordingly.

Sincerely,
Ed Hamilton
