

WHITE MOUNTAIN CHAPTER 586
(LOCATED AT THE SHOW LOW AIRPORT)
JULY 2023 - NEWSLETTER

HAPPY 4TH OF JULY
FROM
CHAPTER 586

CELEBRATING THE FREEDOM OF FLIGHT!

Did you see it in the Show Low 4th of July Parade?

In the weeks leading up to the City of Show Low, 4th of July Parade down the Deuce of Clubs, there was a group of members putting in the work to get the newly acquired Teenie-Two airplane ready to represent our chapter and to let everyone know there is an active EAA Chapter at the Show Low Regional Airport!

In addition to the work done to get the plane ready, the crew also folded fliers into paper airplanes to give out along the parade route. The fliers contained information about the chapter and what it takes to become a member. Great idea team!

Given the tight window to go from being stored in a field to fully operational (self-propelled) in the parade, I'd say these guys did an awesome job!

The plane is scheduled to participate in the Pioneer Days parade in Snowflake later this month. If you'd like to participate in any capacity, please let Ed, Brent or Stu know and they'll get you plugged in!

Also a shout out to those who walked the parade route:

Ed Hamilton
Dwight Stock
Logan Stock

Brent Meyer
Kaylee Stock
Isaac Davis

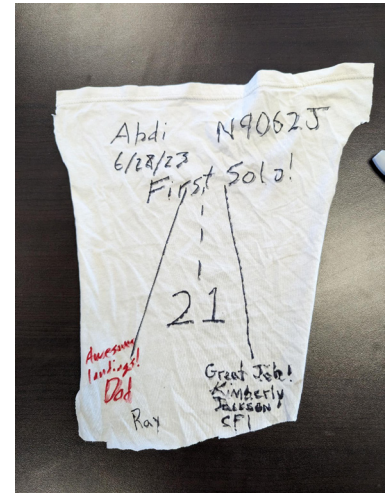

Stu Mennie
Adalee Stock

Congratulations to:

Abdi Monahan

Abdi took his first flight in a GA airplane during a Young Eagles Rally in March of 2023. He took a real interest in becoming a pilot and began an online ground school immediately after the young eagles flight in pursuit of a certificate. In late May, his family purchased a Cherokee 180 after his father participated in a Flying Start event and Abdi began flight training with Kimberly Jackson (chapter member and CFII). On June 28th, Abdi solo'd the Cherokee 180 at KTYL. This is quite an accomplishment at any age, but seems a little more special at 16 years old. On July 3rd, Abdi passed his written exam and is steam-rolling towards his check ride!

facebook

Did you know the chapter has a facebook page?

Check it out at <https://www.facebook.com/eaachapter586/>

This is probably the best resource to see what's happening with the chapter and upcoming opportunities to engage in aviation related activities, training seminars, fly outs, hands on learning, etc.

Here are a few things recently posted on the site!

We have some pretty exciting news as one of our Young Eagles did his solo flight today!

Abdi Monahan (16) who took a Young Eagles flight March of this year has been acti... See more

Mary Markley and 23 others

Happy 4th Of July!!!

We hope everyone has a safe and wonderful day celebrating America's independence!

EAA Chapter 586

4th of July parade Show Low, AZ!

A few of our members got to represent our Chapter today. ... See more

Tanner Lusk and 10 others

June Board Meeting Recap:

- Checking account balance is \$4,308.38 and cash box balance is \$332.20 (6/27/23)
- At the conclusion of the May board meeting, Mike Jackson resigned his position on the board given that he and his wife have plans to travel quite a bit this summer. Mike felt he would be doing the chapter a disservice to stay on the board and then not attend meetings. We thank Mike for the things he helped the chapter accomplish during his time on the board. Mike's resignation left an empty seat on the board that needed to be filled. President Ed Hamilton appointed Nolan Brimhall to the vacant seat. We are excited to have Nolan on board!
- 501c3 application has finally been accepted by the IRS and we are now awaiting approval and issuance of the letter confirming status.
- Teenie-Two - Aircraft is in our possession and being refurbished for use in the 4th of July Parade.
- Parades - Already registered for the Show Low 4th of July Parade - Will register for the Pioneer Days Parade in Snowflake later in July. - Brent is handling the registration.
- Parade Budget - At this point, all costs are being covered and donated by members working on the float and handouts/fliers. Costs will be tracked and compiled to establish a budget for next year.
- Volunteer Appreciation Banquet - Rescheduled for it's own day on August 18th.
- Ground School Discussion - Tabled until next meeting.
- Fly-Outs - Charlie Ballard received feedback from the surveys that were sent out. Based on the feedback he received, he will plan fly-outs accordingly. Frequency will be every other month.
- Airventure Bracelets from the Flying Start event - Jeff Hess and Kimberly Jackson have both accepted the bracelets that were given to the chapter for hosting the flying start event. Jeff, TJ and Kimberly are the only chapter members going to Oshkosh that we are aware of. Kimberly extended her generosity and purchased two additional bracelets for Don Lusk and Brian Rollins (two others that are going to Oshkosh)
- Facebook - Got off to a really strong start. We need to feed the beast and make sure all chapter offerings are posted and keep content coming.
- EAA Roster Management Tool is active. Ed and Shay have been updating the member info. Once they have everything updated, we will make the tool active to the board members.
- Scholarship Criteria put together by Brent - Brent needs feedback on the form to finalize.
- Chapter Gathering & Newsletter Content - Should this be reviewed and approved by the board monthly. We will continue as we have been doing with Don Lusk putting the content together for both the newsletter and gatherings.
- Emergency Media Plan - Revone (chapter safety officer) has completed the plan and posted it in the hangar along with the In Case of Emergency (ICE) binder (also in the hangar). She will present on the subject in the July chapter gathering.
- Calendar Review - Nominations Committee in August, WDR/Pancake Breakfast/YE Rally in September, Nominations review in September, Chapter Elections in October.
- Derby Down the Deuce - Event has been discontinued by the City of Show Low. We can use car kit parts for some other chapter activity to be determined at a later date.
- Mogollon Chapter Pancake Breakfast - We need to support and promote this event for our fellow chapter. We will advertise it in the newsletter and at the gathering.
- Craig Albright - Had to cancel seminar on bicycles to bi-planes given circumstances beyond his control. He will review his calendar and let us know his next opportunity.

Board meetings take place at 6:00pm on the 4th Tuesday of each month at the airport terminal conference room. Meetings are open to the public and anyone wishing to attend is welcome to do so. If you have any questions about past meetings or suggestions for future events, please get in touch with any board member and make your request known.

Chapter 586 Board Members

Ed Hamilton - President
Brent Meyer - Vice President
Bill Fort - Treasurer
Shay Lusk - Secretary

Stu Mennie - Member
Brock Teras - Member
Nolan Brimhall - Member
Don Lusk - Member

An opportunity to support a fellow EAA chapter:

Airplane for Sale at KSOW!

Jacob Allen is selling his Piper Cherokee 140. Asking price is \$40,000

Full or fractional ownership options available
Contact Jacob Allen at (618) 960-9039 for more information

YOU'RE INVITED

Volunteer Appreciation Banquet on Friday August 18th

If you helped with set up or tear down for any event or perhaps you marshaled aircraft, baked cookies, were a ground escort, or a pilot at a young eagles rally. Maybe you were a cook, cashier, shuttle driver at the last pancake breakfast. Did you work the parking area for an event? If you volunteered in any way at any event this year, then this event is for you!

It's hard to believe that just a year ago, our chapter didn't have very many active members. That has changed dramatically and in the last 10 months, we've hosted a variety of events that needed many people to run them effectively. A total of 63 volunteers came out to help and as a result, our chapter offered quality events to grow aviation interests in the Snowflake/Taylor & Show Low communities. Our chapter is growing and it's because of people like you and we want to show our appreciation and serve you! Please join us on Friday, August 18th at 5:30pm at the hangar for some food and fellowship!

New for Summer!

Immediately following the chapter gatherings in the summer months, we will be firing up the grill for burgers, dogs, chips and drinks. If you have time and want to hang out to get to know your fellow members, please join us if you can!

Reminder!

Our next Chapter Gathering is Saturday, July 8th with the social hour starting at 9am and the gathering starting at 10am. Hope to see you there!

Day: Second Saturday of the Month
Time: 9:00am to 10:00am Social Hour
10:00am to 11:am Chapter Gathering
Location: EAA 586 Hangar (Lusk hangar)
(south hangars on E. Corporate Way)

If you know someone that *Builds... Flies... or Dreams about Aviation*, please invite them to join us!

Best regards from EAA White Mountain Chapter 586
