

WHITE MOUNTAIN CHAPTER 586

(LOCATED AT THE SHOW LOW AIRPORT)

NOVEMBER 2023 - NEWSLETTER

Greetings Chapter 586 Members & Guests!

During this month's Gathering, we will be looking into how magnetos work and what makes them tick. Chapter member Stu Mennie will be doing a live demonstration of a magneto and spark plugs. He will also show us the inside of a magneto and explain what each component does. He will show how they work together to make the spark necessary to keep an engine running smooth.

Also on tap for this month's gathering is a presentation from chapter president Ed Hamilton on his years of flying "jumpers" at various locations across the US. Ed will be sharing his experiences through photographs and memories of the exciting things he saw along the way!

EAA Chapter 586 has been selected as one of the Hometown Charities for the 2023-24 Subaru Share the Love Event. From November 16th, 2023 through January 2nd, 2024 Subaru will donate \$250.00 for every vehicle sold to the purchaser's choice of six charities designated by the purchaser. They can choose between four national charities or two local charities. Chapter 586 is one of the local charities. All donations received by the chapter will be used to promote and support the local general aviation community.

Thank you 77 Subaru for Supporting EAA Chapter 586!

Chapter Elections:

The votes have been tallied and the results are in!

Chapter President - Don Lusk
Board Member - Nolan Brimhall
Board Member - Stu Mennie

These individuals will serve a 2-year term beginning January 1st 2024. New officers will be recognized during the December Gathering. Thanks to everyone that voted in this years election.

Old Laptops Needed...

This is a call for help from the Civil Air Patrol, Show Low Squadron 210. Now that we have a new home, we need some laptops for training and testing. Everything we do during class is web based, so they just need internet access and nothing else. If you have an old laptop in the closet or garage collecting dust, please donate it to our squadron. We will wipe the hard drive if you're not sure how to do that.

Squadron 210 Commander
Jeff Hess - 928-940-0958

VMC Club Meeting

Question of the Month

Before an early morning flight, when the overnight air temperature has been below freezing, no water is found in the fuel during the preflight inspection. After landing some hours later after a flight in clear, sunny, VFR conditions, with air temperature now in the 50s, a check of the fuel finds it is contaminated with water. Where did the water likely come from? Why did the pilot miss the contamination on the early morning preflight?

VMC Video of the Month - One Last Look

Come join us as we watch the video of the month. After watching the video, we will discuss it and reveal the answer to the question of the month. All are welcome to attend and we hope to see you there!

Date: Thursday, November 2nd 2023

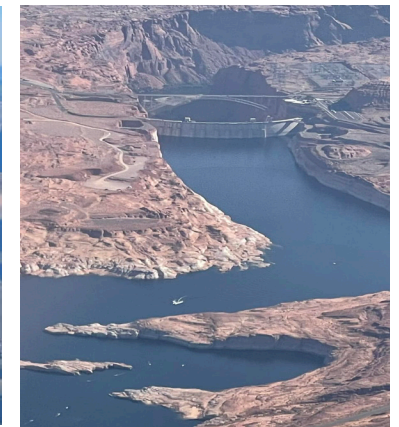

Time: 5:30 to 6:00pm Dinner
6:00 to 7:00pm Club Meeting

Where: Show Low Airport (KSOW)
Chapter Hangar (Lusk Hangar)

Chapter Fly-Out - Marble Canyon/Lake Powell/Grand Canyon

On Saturday October 21st, members of our chapter took flight bound for Marble Canyon Airport (L41). In total, there were four airplanes and twelve people that made the trip to see our beautiful and great state of Arizona from above. See more photos at [facebook.com/eaachapter586](https://www.facebook.com/eaachapter586)

Congratulations!!!

Chapter member and CFII, Kimberly Jackson and student Elena celebrated a HUGE milestone in Elena's flight training on October 27 with Elena taking solo flight.

EAA Chapter 586 is excited to follow and support Elena on her aviation journey!

HAVE YOUR SAY!

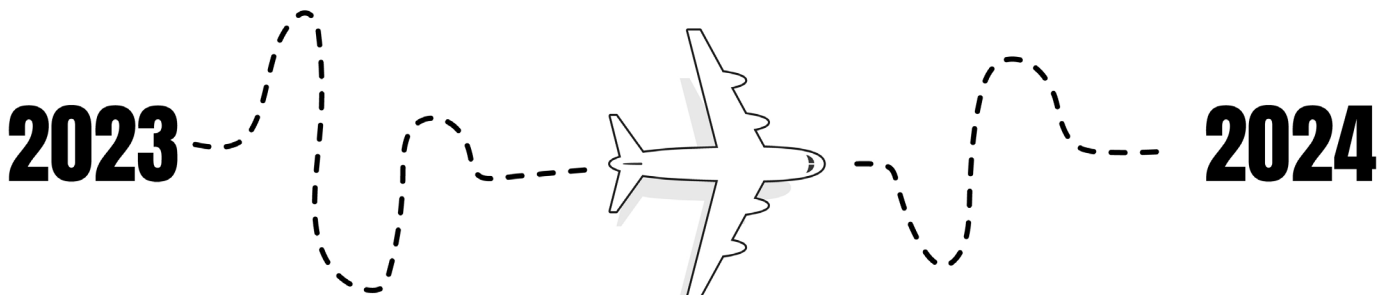

As we begin to transition out of 2023 and look forward to 2024, we would like to hear from you.

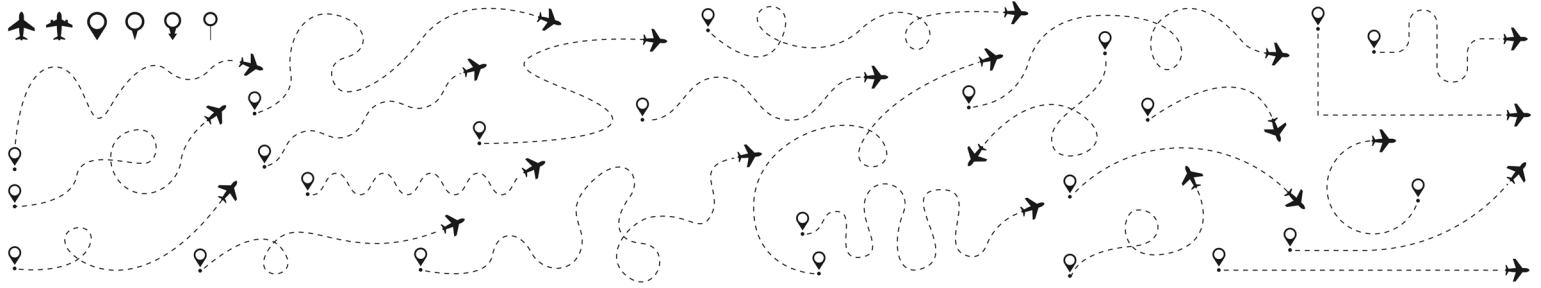

During chapter activities and meetings from now until the end of December there will be comment cards available and a deposit box that you can write in things you would like to see the chapter do or offer in 2024.

If there is an activity you would like to head up or present, we'd like to know that as well and get you plugged in.

Rather not fill out a card... let us know your suggestions via email at ksowchapter586@gmail.com

or text message to

Young Eagle Rally Recap October 28, 2023

The rally on October 28th was hands down our best one yet. We've really become a well oiled machine. We flew 24 kids with 6 chapter member airplanes. The "Volunteer Crew" was in full force once again for the rally. Thanks to everyone that made this a success!

David Lee flew his first young eagle during this rally and we're not sure who was more excited, David or the youngster that flew with him. I think David would attest to the Chapter 586 aviation community helping it's members succeed and it's great to see David giving back!

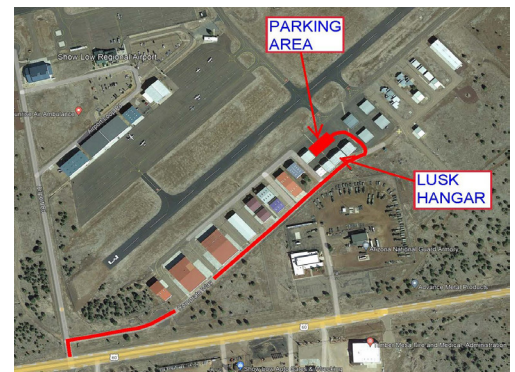

This is what it's all about!

See more photos and an awesome video at facebook.com/eaachapter586

Reminder!

Our next Chapter Gathering is Saturday, November 11th with the social hour starting at 9am and the gathering starting at 10am. Hope to see you there!
