### Minutes / Meeting of EAA Chapter 595 Rio Grande Valley

#### *Events*

Meeting was started when quorum was announced at 11:15 by President Byron Engle.

Byron mentioned that we need to find ways to have flying lessons less expensive for the new interested pilots. I mentioned that there are two young men of College age that are interested and eventually will get them involved in the chapter.

Byron stated that every year he has to contact the franchise tax office in Brownsville so they can send him the tax forms that he needs to fill out. He also sent the By-laws in to EAA Headquarters with our signatures on them and they returned them to him via email.

Old Business was briefly mentioned and then we moved into the new business.

Regarding bringing new people into our Chapter I advised our members that I know of two young men that are very much interested in flying lessons and will be coming to our meetings before long.

Byron requested ideas on how to provide less expensive flying lessons. Both Robert Carter and Byron talked about the procedures of building hangers on Government funded airports.

The meeting was adjourned at about 12:15 PM and we went to lunch at the Texas Roadhouse in Edinburg. Our next meeting will be at Gulf Aviation in Harlingen at 11:00 am June 8<sup>th</sup>. Hope to see you there.

Secretary  
Arthur Chavarria
