Minutes / Meeting of EAA Chapter 595 Rio Grande Valley

Events / Announcements

NOTE: The following minutes are reconstructed and are accurate to best of our ability.

With quorum established the meeting was called to order at 11:00am. Byron announced that the chapter was solvent.

Members included:

Byron Engle	Robert Carter
Robert Silva	Don Tevis
Shirlene Jenkins	Merle Jenkins

Old Business:

Erik Landry emailed an estimate for the proposed Flight Sim(s) and reviewed by Byron Engle and Robert Carter, Robert noted that a few items were not on the list, specifically monitors and speakers. Robert also talked about using an older version of Microsoft Flight Sim due to the newest version looks like it would require an internet connection.

Final preparation for the November 16th Fly-In was resumed, including a shopping list for both Food and other items needed. Byron Engle and Robert Silva volunteered to handle the shopping list. Also a duty roster was laid out for members and volunteers. Robert mentioned that all the chapters' tables and chairs were rounded up and were now in one location. It was as announced that volunteers will meet an hour early in order to set up a start preparing for the 11:00 start time. Airport management & personnel will block open the West side gate and provide traffic cones to help direct those arriving.

Robert Carter mentioned that there was a conflict in our Fly-In and an Airshow in the Corpus Christi area and that several of the tenants from Weslaco had committed to the Airshow and would be attending and displaying their aircraft at our event.

Byron was also going to handle getting a portable restroom for the event.

Decembers Christmas Banquet will be December 14th, at Los Asados Mexican Restaurant in Harlingen

There was no New Business discussed and the meeting was adjourned shortly before noon.
