### **Minutes / Meeting of EAA Chapter 595 Rio Grande Valley**

Chapter 595 held the April 8<sup>th</sup> meeting at Gulf Aviation and quorum was established at 11:27 AM by President Byron Engle who also announced that the Chapter was solvent.

The meeting was begun by the introduction of each individual present and a new member was introduced by the name of Dave Volker. He liked what he saw & heard and paid his chapter fees that morning. He is also a national member of EAA.

Our Chapter President made remarks that he had completed an Eagle Flight recently with a young High School student from Mission High School. The student, who is currently a senior, wants to go to college and eventually wants to be a real estate agent. He was unable to attend the previous Young Eagles/Eagle Scout event in Weslaco because he turned 18 the Tuesday before. We wish the young man all the best.

Discussion was brought up about maintaining only one email list for all members in the chapter. An explanation was given by Robert Carter, who maintains the list and gave information on how to access our emails with other instructions forthcoming about this.

Our new member, Dave Volker, will be going to Oshkosh in the coming months and will be taking his Motor home. He has invited anyone that will be attending to look him up while there.

The meeting adjourned at 12:20 PM

Several of us had lunch at Los Asados Restaurant in Harlingen where we discussed the Worlds' Problems and it seems we fixed them all!! (And the food was GREAT!)

The next chapter meeting is Saturday, May 13, 2023 at the South Texas International Airport in Edinburg (KEBG) 1300 E Farm to Market Rd 490. Edinburg, TX 78542 (956)423-7317

Arthur P, Chavarria, Chapter Secretary
