Chapter 595 met at the Edinburg Airport. The meeting was begun at approximately. 11:08 AM after quorum was established by Chapter President Byron Engle.

The initial discussion of the day was to talk about the details of the upcoming Young Eagles Event. The main personnel involved in the discussion were Chapter President Byron Engle, Robert Carter and Jerry Gifford, the pilots to participate in the event. A list of about 20 Young Eagles was presented to the Chapter by Mrs. Sarah Mendez who is the wife of the Scout Master of the group. The date, time and location of the event was coordinated between the Chapter and Mrs. Mendez.

All the necessary requirements were to be completed by each of the ground personnel involved in the event as prescribed by EAA Rules and they were briefly read and explained by our Chapter President Byron Engle. These requirements were to be found online on the EAA website under the Youth Protection Program. The event is to begin at 2:30 PM with Robert Carter presenting a video presentation at the Weslaco Airport on March 26th, 2023. After the presentation, the flying is to begin.

Once that was established, the Chapter President announced the Chapter was solvent followed by the reading of last month's minutes which was done by Chapter Secretary, Arthur Chavarria.

A photograph was taken and a Chapter Service Certificate was presented to Larry Wheelock, a longtime member of the chapter and a Wright Brothers Master Pilot, A & P IA.

Before adjourning the meeting, a discussion was brought up as to what constituted a quorum since the number of chapter members has dwindled somewhat. The issue was tabled and will be brought up at another meeting.

The April meeting will be Saturday the 8<sup>th</sup> at 11:00 a.m.

Meeting was adjourned at 12:35 PM.

Art Chavarria, Chapter Secretary
