

EAA Chapter 595 October 2013

Website: <http://www.595.eaachapter.org/>

## Minutes / Meeting of EAA Chapter 595 Rio Grande Valley

The October Chapter 595 meeting took place at president Don Schwanke's house at 2:10 p.m.

Members attending were:

Don Schwanke  
Beverly Klebert  
Byron Engle  
Ted Miller, Jr.  
Robert Carter  
Keith Michal

Since quorum was not met with only 6 members attending, no business was conducted, but many of the world's problems were solved in the time that passed.

There was a program; the EAA sends one out each month and the one for October dealt mostly with the Young Eagles program.

The other ½ of the program dealt with steel tube fuselage construction, part III. After the program, Don's son, Mike, who lives in Morristown, TN, put on a real show with some model drones that hovered, flew backwards,

forwards and side-to-side.

They even landed softly on occasion.

It was quite a show. Don said they went one day to Rebel Field and crashed some fixed-wing models. Too bad there's no video. Next time, Don. Refreshments were served about this time (thank you, Geneda!!!!).

After looking over Don's Air Force One project and discussing all the new stuff he's installing on it (aka WEIGHT), everyone left for parts unknown, except Byron. Byron & Don discussed the next meeting time and place and the next meet-'n-eat.

The next meet-'n-eat will be Sunday October 20 at Chili's in Weslaco at 1:30 p.m. The next chapter meeting will be at Don Schwanke's house Sunday November 3 at 2:00 p.m. Be there so we can have a quorum; orders will be taken for 2014 calendars and dues will be accepted at this time. We have other business to discuss, but we must have a quorum to do so. The Christmas banquet needs to be discussed, a date, time and place needs to be determined at the Nov. meeting, also. Don't forget that the 2014 dues will be \$20.00 instead of the \$10.00 as in the past.

Cessna 421 Ram, both engines failed shortly after departure on 13 from T65 (Weslaco Mid-Valley Airport). The pilot was the sole occupant and walked away shaken with no injuries.

Respectfully submitted by Byron Engle, acting secretary/newsletter editor, treasurer and YE coordinator for Chapter 595 Rio Grande Valley.
