We postponed the September meeting because of location issues but have the C&R booked for our next meeting on October 26th. We will discuss the possibility of having a December holiday party at the meeting. We had a successful Young Eagles day on October 9th and flew over 40 kids. I have moved over the last couple months and appreciate everyone's help in keeping things going. Sometimes life events take over and our hobbies have to take a back seat for a bit. I should be back on track and able to participate with everyone again.

# UPCOMING:

---

The flying calendars are empty again but we still have some great fall flying left. Maybe a fly out lunch or a shopping weekend in Lake Placid! Bring your ideas to the meeting or if the weather is good use the group page to get others out flying!

"Everyone has oceans to fly, if they have the heart to do it. Is it reckless? Maybe. But what do dreams know of boundaries?"

## Vice-President ~ Darryl White

Well on Sept 19th we did do a poker run and it was great to get a club event going again! We had some iffy weather on Saturday and I decided to postpone to Sunday which worked out well. After flights to Fulton County, The Pines, and Lewis Field I finally arrived at Plateau where Marty and Doug had things in great shape for the event. After Doug did a great job at cooking and with the other treats that folks brought we did the poker hand and Bob Anderson won the poker hand and the gift certificate to Stewart's and a rubber band airplane kit! It was a great day and thanks to all who could make it and the great help with doing it. Thanks to Bill Wade and Dave Lewis for allowing us to use their fields as well. It was refreshing to get together again and we can look forward to many more events like this and more in our future. See you at the meeting!
