1. Treasure Report any additions or corrections.

- a. Cash on hand 25
- b. Savings 30,087.96
- c. Checking 606.10

Motion by: Mike

Second by: Syd

New Members or Guest [Mike, Simon and his Mom](#)

2. Old Business

- a. Reminder of the Free Student EAA Chapter memberships and six-month complimentary EAA Membership.

3. New Business:

- a. Potential Speaker: Dan Gryder won't be available this year he is booked out. Possible electric plane group may be coming in his place. Dennis sis still working on this.
- b. Safety : John gave a report on accidents in Wisconsin and how they are up this year. Reasoning is believed to be because a lot of pilots either didn't fly during Covid or flew very little. Talked about the Wings Program and how EAA prefers this as it makes you fly more throughout different times of the year.
- c. EAA Ray Scholarship Update: Gus Steffin. Started lessons, basic maneuvers and safety procedures. If he solos soon he can get a headset. He has his medical card.

d. Chapter Flight:

June 12th looking to make a chapter flight to Illinois and maybe get them to reciprocate and get some activity in the flying community.

Upcoming Events:

Now that we are reasonably certain these events are moving forward, I would like to get these listed in Midwest Flyer Magazine.

- **Hamburger Social:**
 - Wausau Flying Service plans to host the first hamburger social on the Wednesday June 2nd.
 - 640 to supply volunteer help for set up and take-down as well as marshaling of aircraft and general assistance.
 - The last hamburger social held at Wausau will be the responsibility of EAA chapter 640 (all food and beverage, labor set up and take down) August 25th

- Young Eagles Event (Lets Set a fall date) in September .

- Ercoupe Fly-in according to the most recent information Syd has asked the CAP to assist. July 21-25 volunteers welcome.
- Air Venture Race starts and end in Wausau.
 - Volunteers will be needed from July 22nd through the 25th
 - Race starts on the 25th in Wausau ends in Merrill.
 - Need Volunteers for the meal
 - We need coolers !

- Follow up meeting in May. Data had not been set

- P63 king cobra may be here from Atlanta Georgia, Commemorative Air Force

- Fall Soup fly in Oct 16th

Projects:

- LBF getting a lathe and ordered a CNC plasma cutter, with a router attachment for wood.
- Dave H working on the canopy and rear skirt last piece of aluminum and a roll bar brace then the windshield can go on. Ailerons are rigged and ready.
- Syd Wings are done except for covering. Inside of fuselage yet to be finished. Ready to run cables. Tail structure not on yet, but has been fitted. Wheels and brakes are coming. Landing gear soon. First of year before send the engine out.
- Rob brought his gas tank he talked about last time to show everyone.
- Mike....working on firewall and cowl.
- Les plane is in 2 crates. Waiting on Garage to be finished.

4. Next meeting June 19th Noon
